

ALLOSTATIC-S

Vitamin & Herbal Dietary Supplement (90 servings)

ALLOSTATIC-S is formulated to counter the metabolic effects of temporary stress and support the body when energetically spent.* The science-based selection of plant extracts, with the addition of vitamin C and pantethine, make ALLOSTATIC-S a well-rounded formula focused on hypothalamic-pituitary-adrenal adaptation.* Key adaptogens include extracts of Panax ginseng, rhodiola, ashwagandha, and holy basil with peptidase and HCl support.

- **Supports digestion during periods of stress with HCl and enzymatic support***
- **Supports mental and physical functionality during temporary stress***
- **Helps support calm and relaxed energy without stimulants***
- **Supports the healthy hypothalamic-pituitary-adrenal axis function***

	Amount Per Serving	%DV
Vitamin C (as ascorbic acid)	100 mg	111%
Asian Ginseng Extract (<i>Panax ginseng</i>) (root)	200 mg	*
Ashwagandha Extract (<i>Withania somnifera</i>) (root)	200 mg	*
Holy Basil Extract (<i>Ocimum tenuiflorum</i>) (leaf)	100 mg	*
Rhodiola Extract (<i>Rhodiola rosea</i>) (root)	75 mg	*
Eleuthero Extract (<i>Eleutherococcus senticosus</i>) (root)	50 mg	*
Pantethine	50 mg	*
Proprietary Blend:	78 mg	*
Boerhavia Extract (<i>Boerhavia diffusa</i>) (root)		
Betaine HCl		
Peptidase		
*Daily Value (DV) not established.		
Other ingredients: Vegetarian capsule (hypromellose), cellulose.		

Suggested use:

Take 1-2 capsules once a day, or as directed by your healthcare professional.

Storage instructions:

Store at room temperature away from direct sunlight. Keep this container tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

A- PLUS

Liquid Dietary Supplement (260 servings)

A PLUS is an essential nutrient involved in a number of physiological functions and roles, including immune mechanisms, vision, and cell growth and development.* Vitamin A also supports the gastrointestinal barrier. A PLUS provides a high-potency antioxidant vitamin A, primarily in the form of beta-carotene (over 100% DV per serving), and is delivered in an oil solution for optimum utilization.* This product is also ideal for vegetarians and those on diets with a low-fat content.

Vitamin A is a group of dietary fat-soluble essential nutrients in different biochemical forms. Retinyl forms of vitamin A are converted to retinol and released into the lymphatic system and then circulation. Most of this compound is stored in the liver cells, where it can be secreted into the circulation as necessary.

Supplement Facts

Serving size 2 drops (0.05 mL)

Servings per container 260

	Amount Per Serving	%DV
Vitamin A (as beta-carotene & retinyl palmitate equivalent to 5000 IU)	1500 mcg RAE	170%

Other ingredients: Medium chain triglycerides oil, sunflower oil, dl-alpha-tocopherol.

Suggested use: Take 2 drops (0.05 mL) twice a day, or as directed by your healthcare professional.

Storage instructions:

Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

A-PRE

Amino Acid & Herbal Dietary Supplement (90 servings)

A-PRE supports the cholinergic system and acetylcholine biosynthesis through select botanicals, enzyme cofactors, and acetylcholine precursors.*

Acetylcholine (ACh) is an important neurotransmitter synthesized in both the central and peripheral nervous systems and is involved in many neurological activities. Its primary role in the central nervous system is to promote excitatory actions for cognition and memory. Peripherally, ACh plays an important role in autonomic nervous function, including both the sympathetic and parasympathetic systems.

	Amount Per Serving	%DV
Pantothenic Acid (as d-calcium pantothenate)	300 mg	6000%
Alpha-GPC (L-alpha glycerylphosphorylcholine)	100 mg	
Acetyl L-Carnitine (as acetyl L-carnitine hydrochloride)	25 mg	
Huperzine A (from Toothed Clubmoss Extract [<i>Huperzia serrata</i>]) (whole plant)	75 mcg	

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), dicalcium phosphate, cellulose, silica.

- **Supports cognition and memory***
- **Supports neuronal membranes***
- **Supports central nervous system function***
- **Supports the cholinergic system and acetylcholine biosynthesis***

Suggested use: Take 1 capsule 3 times a day, or as directed by your healthcare professional.

Storage instructions:

Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

ATP MAX WORKOUT EXPLOSION

Vitamin & Herbal Dietary Supplement (30 servings)

ATP MAX WORKOUT EXPLOSION is designed to meet the demanding needs of the body during and after exercise. This great-tasting drink mix provides a low-carb, zero-sugar combination of bioactive B vitamins, electrolytes, Albion TRAACS® chelated trace minerals, key amino acids, herbs, and powerful antioxidants without the use of synthetic sweeteners or artificial ingredients. To fuel muscular excitability and take performance and recovery to the next level, ATP MAX features a unique blend of natural exercise enhancers. These include caffeine/pterostilbene co-crystal, creatine monohydrate, and Peak ATP® adenosine triphosphate. Let ATP MAX Workout help you maximize your exercise time and energy output.*

- **Enhances Exercise Performance***
- **Helps Reduce Muscle Fatigue and Supports Muscle Power, Strength, and Growth with Peak ATP***
- **Supports Recovery***
- **Supports ATP Biosynthesis and Muscular Excitability***
- **Provides an Alternative to Ordinary Caffeine***
- **Supports Electrolyte Replacement***
- **Provides Antioxidant Support with S-Acetyl-L-Glutathione and Vitamin C***

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

ATP Ignite™ Workout Supplement Facts

Serving Size: 1 Scoop (about 12.9 g)

	Amount Per Serving	%Daily Value
Calories	25	
Total Carbohydrate	5 g	2%†
Vitamin C (as sodium ascorbate, potassium ascorbate, calcium ascorbate, and zinc ascorbate)	500 mg	556%

Chromium (as chromium nicotinate glycinate chelate) ^{§‡}	100 mcg	286%
Sodium (as sodium bicarbonate and sodium ascorbate)	135 mg	6%
Potassium (potassium bicarbonate and potassium ascorbate)	215 mg	5%
Creatine (as creatine monohydrate)	3 g	**
Proprietary Blend Caffeine pterostilbene cocrystal, whole coffee fruit (<i>Coffea arabica</i>) (whole fruit) (40% chlorogenic acid), taurine, L-arginine alpha-ketoglutarate, organic green tea aqueous extract (<i>Camellia sinensis</i>) (leaf) (25% polyphenols, 15% catechins, <10% caffeine), s-acetyl-L-glutathione, and acetyl-L-carnitine (as acetyl-L-carnitine HCl), yielding a total of 95 mg of caffeine.	465 mg	**
Adenosine 5' Triphosphate Disodium ^{§‡}	400 mg	**

† Percent Daily Values are based on a 2,000 calorie diet.

** Daily Value not established.

Other Ingredients: Maltodextrin, citric acid, malic acid, natural flavors (no MSG), natural grape powder, stevia leaf extract, and silica.

Suggested use:

Dissolve the contents of one scoop in 6-12 oz of water according to preferred sweetness. On non-workout days, consume the effervescent drink in the AM on an empty stomach. On workout days, consume the effervescent drink once daily 30 minutes prior to workout, or use as directed by your healthcare professional.

Storage instructions:

Store at room temperature away from direct sunlight. Keep this container tightly closed.

BALANCE GUT/ LIVER/ GB/ METHYL

Vitamin, Herbal, & Amino Acid Dietary Supplement (60 servings)

BALANCE GUT/ LIVER/ GB/ METHYL integrates four complementary formulas that are each designed to help support hepatic detoxification.* PHASE 1 PHASE 2, BG 3, CH3 MAX and GLUTA CYCLER are put together into one easy-to-use package for the client. Each serving is packaged individually with the combination of these four formulas.

Intended to support detoxification, hepatic cells, methylation processes, and glutathione synthesis and recycling.*

BALANCE GUT/ LIVER/ GB/ METHYL includes high-potency vitamin C, vitamin B6, vitamin B12, thiamin, riboflavin, niacin, folate, pantothenic acid, and molybdenum. It is also an excellent source of vitamin E, magnesium, zinc, and selenium.

Suggested use:

Take 1 packet once a day, or as directed by your healthcare professional.

Storage instructions:

Store at room temperature away from direct sunlight. Keep this container tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

BALANCE GUT/ LIVER/ GB/ METHYL

Vitamin, Herbal, & Amino Acid Dietary Supplement (60 servings)

	Amount Per Serving	%DV
Vitamin C (as ascorbic acid)	95 mg	106%

Other ingredients: Vegetarian capsule (hypromellose), cellulose, dicalcium phosphate, silica. Contains Soy (phospholipids).

B-ATP

Vitamin, Herbal, & Amino Acid Dietary Supplement (90 servings)

B-ATP is designed to support the brain with specially selected ingredients, such as N-acetyl L-cysteine, alpha lipoic acid, and high-potency vitamin E.* This formula may also support intracellular glutathione and neuronal metabolism.* Additionally, this product includes ingredients that may be involved in antioxidant processes.*

- **Formulated to support neuronal mitochondria***
- **Uses nutrients selected to support glutathione balance in the brain***
- **Offers ingredients intended to support brain tissue***
- **Incorporates ingredients that are involved in antioxidant processes***

	Amount Per Serving	%DV
Vitamin E (as d-alpha tocopherol succinate)	(40 IU) 26 mg	173%
N-Acetyl L-Cysteine	125 mg	*
Alpha Lipoic Acid (thioctic acid)	100 mg	*
N-Acetyl L-Carnitine HCl	50 mg	*
Creatine Monohydrate	50 mg	*
Milk Thistle Extract (<i>Silbum marianum</i>) (seed) (standardized to 80% silymarin)	30 mg	*
Genistein	10 mg	*
CoQ10 (as ubiquinone)	5 mg	*
*Daily Value (DV) not established.		

Other ingredients: Vegetarian capsule (hypromellose), cellulose, L-leucine, bamboo extract.

Suggested use: Take one capsule daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

B-CAUSE

Vitamin & Mineral Dietary Supplement (60 servings)

B-CAUSE contains the entire spectrum of B vitamins to support adrenal, neurological, and stress-related functions. It features activated forms of vitamins B2, B6, and B12; benfotiamine, a fat soluble, more physiologically active form of thiamin; and folate as Quatrefolic®, which is proven to have greater stability, solubility, and bioavailability over calcium salt forms of 5-MTHF.

- **Supports Carbohydrate Metabolism**
- **Supports Healthy Nervous System/Adrenal/Immune Function**
- **Supports Cardiovascular Health**
- **Supports Healthy Mental Function and Mood**

	Amount Per Serving	%Daily Value
Thiamin (as thiamine HCl)	20 mg	1667%
Riboflavin (as riboflavin 5'-phosphate sodium)	20 mg	1538%
Niacin (as niacinamide and niacin)	140 mg	875%
Vitamin B6 (as pyridoxal-5'-phosphate)	20 mg	1176%
Folate (as (6S)-5-methyltetrahydrofolic acid, glucosamine salt) ^{S1}	680 mcg DFE	170%
Vitamin B12 (as methylcobalamin)	400 mcg	16,667%
Biotin	400 mcg	1333%
Pantothenic Acid (as d-calcium pantothenate)	150 mg	3000%
Choline (as choline dihydrogen citrate)	30 mg	5%
Benfotiamine	20 mg	**

** Daily Value not established.
All Formulas Meet or Exceed cGMP Quality Standards.

Suggested use: Take one capsule daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

B-DHA

Vitamin & Herbal Dietary Supplement (15 servings)

B-DHA features patented, International Fish Oil Standards (IFOS) five-star certified MaxSimil® DHA monoglyceride fish oil. This readily absorbed omega-3 fatty acid formula provides concentrated docosahexaenoic acid (DHA) plus eicosapentaenoic acid (EPA). DHA is often recommended during pregnancy to support healthy fetal brain development. Throughout the lifespan, both DHA and EPA support healthy brain, heart, immune, and eye function as well as healthy eicosanoid metabolism.*

- **Supports Early Brain Development***
- **Promotes Brain, Eye, Heart, and Cell Membrane Function Throughout the Lifespan***
- **Supports immune Health and Eicosanoid Metabolism***

	Amount Per Serving	% Daily Value
Calories	25

CHIEF GLAND

Herbal & Mineral Dietary Supplement (72 servings)

	Amount Per Serving	%DV
Zinc (as zinc glycinate)	8 mg	73%
Asian Ginseng Extract (<i>Panax ginseng</i>) (root)	230 mg	*
Tribulus Extract (<i>Tribulus terrestris</i>) (fruit)	220 mg	*
Maca Extract (<i>Lepidium meyenii</i>) (root)	220 mg	*
Proprietary Blend:	18 mg	*
Betaine HCl		
Peptidase		

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose.

CHIEF GLAND is designed to support the reproductive system, the related endocrine system, and vitality.* It incorporates high-quality herbs, minerals, and plant-based enzymes. This product is also an excellent source of zinc.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

Suggested use: Take 1 capsules once a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

CHIEF PRECURSOR

Liquid Pregnenolone Dietary Supplement (230 servings)

	Amount Per Serving	%DV
Pregnenolone	5 mg	*
*Daily Value (DV) not established.		

Other ingredients: Glycerin, alcohol, luo han guo fruit extract, natural flavor.

CHIEF PRECURSOR helps support energy levels and the adrenals by delivering a liquid solution of pregnenolone (5 mg per serving).* It may also support brain function, including mild memory loss associated with normal aging.* Certain hormones, when taken as a liquid, can avoid the first liver pass, thereby decreasing their conversion to other hormones or metabolites.*

Suggested use: Take 10 drops (0.255 mL) 1-3 times a day, or as directed by your healthcare professional. SHAKE WELL BEFORE USE.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed. Do not use if safety seal is broken or missing.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

CHOL-LIPID

Vitamin & Herbal Dietary Supplement (90 servings)

CHOL-LIPID can help maintain cholesterol levels already in the normal range.* This product's key ingredients include inositol hexanicotinate, garlic extract, and pantethine. It also offers a high amount of chromium. The formula further incorporates a proprietary blend that utilizes extracts of arjuna, codonopsis, and guggul.

- **Helps maintain cholesterol levels already in the normal range***
- **Intended to support antioxidant processes***
- **Is an excellent source of chromium**

	Amount Per Serving	%DV
Chromium (as chromium picolinate)	50 mcg	143%
Inositol Hexanicotinate	500 mg	*
Garlic Extract (<i>Allium sativum</i>) (bulb)	150 mg	*
Pantethine	50 mg	*
Proprietary Blend:	180 mg	*
Arjuna Extract (<i>Terminalia arjuna</i>) (bark)		
Codonopsis Extract (<i>Codonopsis tangshen</i>) (root)		
Guggul Extract (<i>Commiphora mukul</i>) (gum)		

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose.

Suggested use: Take 1 capsule 2 times a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

C PLUS

Vitamin & Herbal Dietary Supplement (60 servings)

	Amount Per Serving	% Daily Value
Vitamin C (as calcium ascorbate, magnesium ascorbate, and potassium ascorbate)	1,500 mg	1,667%
Calcium (as calcium ascorbate)	130 mg	10%
Black Pepper Extract (<i>Piper nigrum</i>)(fruit)(93% piperine) ^{S1}	15 mg	**

** Daily Value not established.

C PLUS is a high-potency vitamin C formula with the addition of 7.5 mg of BioPerine® per capsule. BioPerine, a proprietary black pepper extract, is present to promote absorption and bioavailability of vitamin C. Vitamin C provides valuable antioxidant protection and is necessary for the production of collagen, an integral component of blood vessels, tendons, ligaments, and bone. This essential water-soluble vitamin is required for the synthesis of neurotransmitters and carnitine as well. C PLUS contains buffering minerals to help prevent potential stomach upset.*

- **High-Potency Vitamin C Formula Provides 750 mg Vitamin C per Capsule**
- **Formulated with BioPerine® to Enhance Nutrient Bioavailability***
- **Supports Immune and Antioxidant Systems***
- **Supports Production of Collagen, Carnitine, and Neurotransmitters***
- **Buffered with Minerals to Help Prevent Potential Stomach Upset***

Suggested use: Take two capsules once daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

CURCUMA

Vitamin & Herbal Dietary Supplement (60 servings)

CURCUMA features BCM-95®—a 100% pure turmeric extract standardized to curcumin, demethoxycurcumin, bisdemethoxycurcumin, and essential oils of turmeric rhizome. This natural composition optimizes bioavailability and reflects true turmeric identity to deliver optimal health benefits. BCM-95 has been extensively studied and shows broad efficacy without the use of phospholipids, excipients, additives, carriers, nanotechnology, or bioenhancers.*

	Amount Per Serving	%Daily Value
Turmeric Extract (<i>Curcuma longa</i>)(rhizome)(95% total curcuminoids complex, including curcumin, curcuminoids, and volatile oils)(86% curcuminoids)(65% curcumin) ^{S1}	500 mg	**

** Daily Values not established

All Formulas Meet or Exceed cGMP Quality Standards.

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

- **Provides Antioxidant and Cell-Protective Activity***
- **Supports Joint Health and Helps Relieve Minor Pain Associated With Physical Activity***
- **Supports the Health of Organs and Systems by Modulating the Production of Cytokines and Other Signaling Molecules***
- **Supports The Body's Efforts to Promote Healthy Cell Growth and Inhibit Unhealthy Cell Growth in Certain Cell Lines***
- **Supports Brain/Neuronal Health and a Healthy Mood***
- **Supports a Healthy Microbial Environment***

CH3 MAX

Multivitamin & Cofactor Dietary Supplement (45 servings)

CH3 MAX supports methylation reactions, important for metabolism of homocysteine, by providing a combination of targeted nutrients and cofactors, such as trimethylglycine at 550 mg and MSM at 50 mg per serving.* This formula includes the antioxidant vitamins C and E, as well as high-potency riboflavin, vitamin B6, folate, and vitamin B12. In addition, this formula includes a biologically active form of folate (5-methyltetrahydrofolic acid or 5-MTHF), which is normally produced and available to the body only at the final stage of the folate metabolic process*.

	Amount Per Serving	%DV
Vitamin C (as ascorbic acid)	50 mg	56%
Vitamin E (as alpha-tocopherol acetate)	(20 IU) 13 mg	87%
Riboflavin (as riboflavin 5'-phosphate)	30 mg	2308%
Vitamin B6 (as pyridoxal 5'-phosphate)	14 mg	824%
Folate (as L-5-methyltetrahydrofolate calcium)	2500 mcg DFE	625%
Vitamin B12 (as methylcobalamin)	1000 mcg	41667%
Magnesium (as magnesium citrate)	100 mg	24%
Choline (as choline bitartrate)	100 mg	18%
Trimethylglycine (as betaine anhydrous)	550 mg	*
Betaine HCl	60 mg	*
MSM (methylsulfonylmethane)	50 mg	*
Beet (<i>Beta vulgaris</i>) (root)	50 mg	*

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose, silica.

Suggested use: Take two capsules daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

- **Supports Carbohydrate Metabolism**
- **Supports Healthy Nervous System/Adrenal/Immune Function**
- **Supports Cardiovascular Health**
- **Supports Healthy Mental Function and Mood**

D-K MAX

Vitamin & Herbal Dietary Supplement (60 servings)

	Amount Per Serving	%Daily Value
Vitamin D3 (cholecalciferol)	125 mcg (5,000 IU)	625%
Vitamin K2 (as menaquinone-7)	180 mcg	**

** Daily Value not established.

D-K MAX is formulated for those who need a more substantial presence of vitamin K2, delivering 180 mcg per serving. The combination of highly bioavailable and bioactive menaquinone-7 (MK-7) with vitamin D3 provides complementary benefits for bone and cardiovascular health.*

- **Supports Bone Health***
- **Promotes Carboxylation of Bone Proteins***
- **Supports Cardiovascular Health and Arterial Elasticity***

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

D-PRE

Amino Acid & Herbal Dietary Supplement (90 servings)

D-PRE helps support the dopaminergic system through a blend of nutrients, targeted amino acids, and cofactors.* Key ingredients include velvet bean extract (*Mucuna pruriens*) and DL-phenylalanine. This product also offers high-potency vitamin B6 and is an excellent source of selenium.

- **Designed to support the dopaminergic system***
- **Formulated to support the central nervous system***
- **Ingredients intended to support motivation and a feeling of well-being***

	Amount Per Serving	%DV
Vitamin B6 (as pyridoxal 5'-phosphate)	10 mg	588%
Selenium (as L-selenomethionine)	25 mcg	45%
Velvet Bean Extract (<i>Mucuna pruriens</i>) (seed)	300 mg	*
DL-Phenylalanine	200 mg	*
N-Acetyl L-Tyrosine	100 mg	*
N-Acetyl L-Cysteine	100 mg	*
Beta-Phenylethylamine (as beta-phenylethylamine HCl)	80 mg	*
Blueberry Extract (<i>Vaccinium corymbosum</i>) (fruit)	25 mg	*
Alpha Lipoic Acid	10 mg	*
*Daily Value (DV) not established.		

Other ingredients: Vegetarian capsule (hypromellose), natural flavor (vanilla), cellulose, dicalcium phosphate.

Suggested use: Take one capsule 3 times a day, or as directed by your Healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

D3 SOFTGELS

Vitamin & Herbal Dietary Supplement (180 servings)

	Amount Per Serving	% Daily Value
Vitamin D3 (cholecalciferol)	125 mcg (5000 IU)	625%

All Formulas Meet or Exceed cGMP Quality Standards.

D3 SOFTGELS contains vitamin D3 (cholecalciferol) in convenient softgels. Vitamin D3 is the bioidentical form of vitamin D synthesized in the body from cholesterol, following activation by the UV rays in sunlight. This form is excellent for maintaining healthy levels of vitamin D in the body. Mounting evidence suggests roles for vitamin D not only in bone health, but also in supporting immune, neurological, musculoskeletal, cellular, and cardiovascular health.*

- Supports Bone Strength and Dental Health*
- Supports Modulation of Immune Function*
- Supports Healthy Cell Differentiation*
- Supports Neurologic and Cognitive Health*
- Supports Musculoskeletal Comfort*
- Supports Cardiovascular Health and Healthy Blood Sugar Metabolism*
- Vitamin D Repletion in Cases of Dietary Deficiency, Limited Sunlight Exposure, or Use of Depleting Therapies*

Suggested use: Take one softgel once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

D3 LIQUID

Vitamin & Herbal Dietary Supplement (1,500 servings)

	Amount Per Serving	% Daily Value
Vitamin D3 (as cholecalciferol)	25 mcg (1000 IU)	125%

All Formulas Meet or Exceed cGMP Quality Standards.

D3 LIQUID is cholecalciferol derived from lanolin and provided in a liquid base of sunflower oil and purified water. In this liquid formula, vitamin D and sunflower oil are combined using a special micro-emulsification process designed to create a natural micellized matrix which, when coated by the stomach bile, will encourage absorption.*

- **Supports Bone and Dental Health***
- **Supports Modulation of Immune Function***
- **Supports Healthy Cell Differentiation***
- **Supports Neurologic and Cognitive Health***
- **Supports Musculoskeletal Comfort***
- **Supports Cardiovascular Health and Healthy Blood Sugar Metabolism***
- **Supports Vitamin D Repletion in Cases of Dietary Deficiency, Limited Sunlight Exposure, or Use of Depleting Therapies***

Suggested use: Take one drop once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

D3 2000

Liquid Vitamin D Dietary Supplement (550 servings)

	Amount Per Serving	% Daily Value
Vitamin D3 (cholecalciferol)	125 mcg (5000 IU)	625%

All Formulas Meet or Exceed cGMP Quality Standards.

D3 2000 supports the immune system and the skeletal system by offering high-potency vitamin D (cholecalciferol) in a liquid form.* Each drop contains (2000 IU) 50 mcg of vitamin D, which is over 200% of the recommended daily value. D3 2000 allows healthcare professionals to conveniently adjust the vitamin D intake of those they care for.

D3 2000 includes only two ingredients—vitamin D and MCT oil (as a biologically active carrier)—to minimize the risk of sensitivities to this product. In addition to immune and skeletal support, this product may also support the balance of calcium and phosphorus.*

- **Supports Bone Strength and Dental Health***
- **Supports Modulation of Immune Function***
- **Supports Healthy Cell Differentiation***
- **Supports Neurologic and Cognitive Health***
- **Supports Musculoskeletal Comfort***
- **Supports Cardiovascular Health and Healthy Blood Sugar Metabolism***
- **Vitamin D Repletion in Cases of Dietary Deficiency, Limited Sunlight Exposure, or Use of Depleting Therapies***

Suggested use: Take 1-2 drops twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

ELECTRIC FEMALE

Dietary Supplement (60 servings)

ELECTRIC FEMALE is a conveniently dose-packaged combination of three formulas that provide comprehensive nutritional support for health and well-being especially when higher vitamin D intake and long-lasting antioxidant support against free radical damage is desirable.*

ActivNutrients® without Iron: A high-quality, hypoallergenic, proprietary multivitamin/mineral blend featuring activated vitamins, including folate as 5-MTHF (5-methyltetrahydrofolate), and patented Albion® chelated mineral complexes as easy-to-swallow vegetarian capsules.

OncoPLEX™ & D3: Each capsule provides 2000 IU of vitamin D3 and 15 mg of glucoraphanin from highly concentrated broccoli seed extract. Glucoraphanin is the precursor to sulforaphane, and it possesses antioxidant activity that lasts up to 72 hours—significantly longer than the activity of vitamins C, E, or beta-carotene. Glucoraphanin also activates the transcription factor Nrf2, which induces increased synthesis of phase 2 detoxification and antioxidant enzymes. D3 is provided as cholecalciferol, identical to the form in which it is derived in the body from cholesterol and synthesized by sunlight on the skin. D3 has been shown to raise and maintain serum vitamin D and increase storage concentrations of vitamin D better than D2.*

Omega MonoPure® 650 EC: Features natural enzymatically enhanced MaxSimil® monoglyceride fish oil that has a three times greater EPA/DHA absorption rate than an equivalent dose of ethyl ester fish oil. This translates to less fish oil in a smaller softgel for easy swallowing. This IFOS five-star certified fish oil outperforms other fish oils through MaxSimil patented lipid absorption enhancement technology (PLATform).*

- **Provides Foundation Micronutrition for a Variety of Protocols***
- **Supports Improved Dietary Nutrient Intake***
- **Provides Long-Lasting Antioxidant Support***
- **Supports Individuals with Higher Vitamin D Requirements***

Each packet contains two ActivNutrients™ without Iron capsules, one OncoPLEX™ & D3 capsule, and one Omega MonoPure® 650 EC softgel.

ELECTRIC FEMALE

Dietary Supplement (60 servings)

ActivNutrients® without Iron Supplement Facts

Serving Size: 2 Capsules
Servings Per Container: 60

	Amount Per Serving	%DV
Vitamin A (75% as natural beta-carotene and 25% as retinyl palmitate)	1,120 mcg	124%
Vitamin C (as sodium ascorbate, potassium ascorbate, zinc ascorbate, and calcium ascorbate)	125 mg	139%
Vitamin D3 (as cholecalciferol)	2.5 mcg (100 IU)	13%
Vitamin E (d-alpha tocopheryl succinate)	67 mg	447%

ENZ 1/2/3

Broad Spectrum Enzyme Dietary Supplement (60 servings)

ENZ 1/2/3 incorporates a special proprietary blend of various enzymes, including brush border enzymes, that has been meticulously designed to support the gastrointestinal system.* This formula combines a broad spectrum of enzymes to help support the digestion of sugars, starches, fibers, proteins, and fats.* It also includes HCl for further digestive support.*

	Amount Per Serving	%DV
Proprietary Blend:	1372 mg	*
Betaine HCl		
Pepsin (porcine)		
Bromelain		
Lactase		
Protease I		
Protease II		
Protease III		
Protease IV		
Glucoamylase		
Cellulase		
Sucrase (invertase)		
Maltase		
Phytase		
Pectinase		
Alpha-galactosidase		
Lipase		
Amylase I		
Amylase II		
Peptidase		

*Daily Value (DV) not established.

Other ingredients: Capsule (gelatin), cellulose, silica.

- **Broad spectrum of digestive needs addressed in one capsule***
- **pH-optimized enzymes for targeted digestive support***
- **Two products in one with plant-based enzymes and HCl**
- **Ingredients to support both gastric and intestinal enzymatic function***
- **Enzymes in key ratios to support today's dietary needs***

Suggested use: Take 2 capsules daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

FULVIC HUMIC ESSENTIALS

Liquid Mineral Dietary Supplement (32 servings)

	Amount Per Serving	% Daily Value
Fulvic Minerals	250 mg	+
Humic Minerals	65 mg	+
+ Daily Value not established		

FULVIC HUMIC is a superior blend of our plant derived ionic size Fulvic Molecule that can help with absorption of nutrients found in the foods we eat and because of its special carbon base Humic Molecule, it can help deep within our cellular structure to support a healthier immune system.

- **Energy, Vitality, Wellness**
- **Mineral Supplement**
- **100% Pure Plant Derived Biomass Minerals**

Suggested use: 1 oz (30 ml) / day with large glass of non-chlorinated water or fruit juice, or as directed by your health care professional.

Storage instructions: Store away from heat & sunlight. Refrigeration optional.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

FUNGAL Y-M

Herbal Dietary Supplement (90 servings)

FUNGAL Y-M is intended to provide support for a healthy intestinal environment, especially in relation to yeast colonization.* This formula yields a combination of high-quality standardized and whole botanicals paired with organic acids for targeted support.

- Supports a healthy intestinal terrain, mucosal barrier, and gut-microbial balance*
- Helps the body regulate a healthy candida/yeast colonization level within the GI tract*
- Supplies nutrients to support healthy Nrf2 (nuclear factor erythroid 2) and antioxidant activity*
- Supports mucosal immunity and appropriate cytokine balance*

	Amount Per Serving	%DV
Proprietary Blend:	700 mg	*
Undecylenic Acid (as calcium undecylenate)		
Caprylic Acid (as magnesium caprylate)		
Uva Ursi Extract (<i>Arctostaphylos uva-ursi</i>) (leaf) (standardized to 20% arbutin)		
Cat's Claw Extract (<i>Uncaria tomentosa</i>) (bark) (standardized to 3% oxindole alkaloids)		
Pau D'Arco Extract (<i>Tabebuia impetiginosa</i>) (bark)		

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose.

Suggested use: Take 1 capsule 2 times a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

GI FIX #1

Vitamin and Herbal Dietary Supplement (30 servings)

	Amount Per Serving	% Daily Value
Calories	5	
L-Glutamine	3 g	**
Arabinogalactan (from <i>Larix laricina</i>)(heartwood)	2 g	**
Total Carbohydrate	2 g	1%‡
Dietary Fiber	1 g	4%
Deglycyrrhizinated Licorice 10:1 Aqueous Extract (<i>Glycyrrhiza glabra</i>)(root)	500 mg	**
Sodium (naturally occurring)	5 mg	<1%
Aloe vera 200:1 Aqueous Extract (<i>Aloe barbadensis</i>)(leaf gel)	100 mg	**

‡Percent Daily Values are based on a 2,000 calorie diet.
** Daily Value not established.
All Formulas Meet or Exceed cGMP Quality Standards.

GI FIX #1 features four specialized ingredients for enhanced gastrointestinal support. This unique formula contains a concentrated extract of licorice that has been processed to remove glycyrrhizin—thus reducing risk of side effects associated with licorice. Glutamine serves as the predominant fuel and nitrogen source for the mucosal lining of the gastrointestinal (GI) tract. Arabinogalactan from the North American larch tree is a naturally occurring polysaccharide that provides excellent support for GI health. Research suggests that arabinogalactan plays a role in the promotion of gut microflora and may increase beneficial short-chain fatty acid production. The Aloe vera leaf extract in GI FIX has been processed to remove the bitter principles and prevent a laxative effect.*

- **Gastrointestinal Support***
- **Enhanced Production of Short Chain Fatty Acids***

Suggested use: Take one scoop once a day, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

GI-GO

Vitamin and Herbal Dietary Supplement (60 servings)

GI-GO is designed to support gastrointestinal (GI) regularity and complement dietary fiber intake. Magnesium citrate is present to support muscle relaxation and bowel elimination. Cape Aloe is added to support normal GI transit time and stool bulk. Triphala, a balanced blend of astringent fruits used extensively in Ayurveda, is present to support all phases of digestion, assimilation, and elimination. Gastrointestinal regularity in turn plays a fundamental role in detoxification, providing a major route for elimination of toxins.*

	Amount Per Serving	%Daily Value
Magnesium (as magnesium citrate)	200 mg	48%
Botanical Proprietary Blend		
Triphala Extract ((<i>Embllica officinalis</i>)(fruit), (<i>Terminalia chebula</i>)(fruit), (<i>Terminalia bellerica</i>)(fruit)(45% tannins)), Cape Aloe (<i>Aloe ferox</i>)(leaf)	300 mg	**

** Daily Value not established.

Suggested use: Take two capsules daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

- **Supports Carbohydrate Metabolism**
- **Supports Healthy Nervous System/Adrenal/Immune Function**
- **Supports Cardiovascular Health**
- **Supports Healthy Mental Function and Mood**

GLYCO B

Herbal Dietary Supplement (90 servings)

GLYCO B is a versatile formula that delivers 500 mg of berberine in each capsule. It's designed for use in a variety of applications and can be taken alone or combined with other formulas to target specific outcomes. Berberine is a naturally occurring plant alkaloid with a rich history of traditional use and a broad range of activities in human health.*

	Amount Per Serving	%DV
Berberine HCl (from Indian Barberry [<i>Berberis aristata</i>]) (root)	500 mg	*
*Daily Value (DV) not established.		

Other ingredients: Vegetarian capsule (hypromellose), dicalcium phosphate, L-leucine.

- **Supports peripheral glucose uptake***
- **Supports cellular energy expenditure and healthy lipid metabolism***
- **Supports a healthy GI microbiome and short-chain fatty acid production***
- **Supports healthy intestinal mucosal immunity***

Suggested use: Take 1-2 capsules once a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

G-THIONE NEW

Amino Acid & Herbal Dietary Supplement (90 servings)

G-THIONE NEW is a first-of-its-kind formula designed to support the synthesis and recycling of glutathione, which is a key factor in cellular and mitochondrial antioxidant processes.* It strategically combines complementary ingredients, such as selenium, N-acetyl L-cysteine, and standardized extracts of cordyceps and gotu kola, that have cohesive actions geared toward optimizing intracellular glutathione.*

- **Supports the metabolism of intracellular glutathione***
- **Supports glutathione activity and related enzymatic processes***
- **Supports liver detoxification and conjugation pathways***
- **Helps support the ratio of reduced-to-oxidized glutathione***

	Amount Per Serving	%DV
Selenium (as L-selenomethionine)	40 mcg	73%
Proprietary Blend:	825 mg	*
N-Acetyl L-Cysteine		
Cordyceps Extract (<i>Cordyceps sinensis</i>) (whole plant) (standardized to 7% cordycepic acid)		
Gotu Kola Extract (<i>Centella asiatica</i>) (whole plant) (standardized to 10% triterpenes)		
Milk Thistle Extract (<i>Silybum marianum</i>) (seed) (standardized to 80% silymarin)		
L-Glutamine		
Alpha Lipoic Acid		
*Daily Value (DV) not established.		
Other ingredients: Vegetarian capsule (hypromellose), cellulose, dicalcium phosphate.		

Suggested use: Take 1 capsule 3 times a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

G-THIONE T

Topical Cream (70 servings)

G-THIONE T provides the best transdermal delivery of glutathione on the market. G-THIONE T is a master antioxidant (scavenging free radicals), inflammatory regulator, and immune system powerhouse. It is incredibly potent in detoxifying PCBs, synthetic estrogens, and heavy metals from the skin. G-THIONE T protects against the damaging effects of bacteria, viruses, pollutants, and free radicals. Cells rich in glutathione help prevent toxins from entering the cell. The better our health, the more glutathione is present in our cells. G-THIONE T is delivered immediately into the skin, avoiding common gastrointestinal issues. A blend of essential oils, rosewood, geranium, and lavender help lift your mood as you apply this powerful protectant.*

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

Ingredients: Water (reverse osmosis), Medium Chain Triglycerides, L-Glutathione Reduced, Polyacrylamide (And) C13-14 Isoparaffin (And) Laureth-7, Ethanol, Lecithin (from sunflower), Glycerin, Sodium Hydroxymethylglycinate, Glucosamine Sulfate, L-Carnosine, Xanthan Gum, Natural Fragrance, Vitamin E (d-alpha tocopherol), Potassium Sorbate, Sodium Phytate, Orange Essential Oil, Lavender Essential Oil, Geranium Essential Oil, Rosewood Essential Oil, Frankincense Essential Oil, Rose Absolute Oil, Niacin (vitamin B-3), Folate (as l-methyltetrahydrofolate), Vitamin B-12 (as methylcobalamin).

- **Cardiovascular Health**
- **Detoxification**
- **Healthy Aging**
- **Liver Health**
- **Inflammation**
- **Immune System**

Suggested use: For children ages 2-11, use one-half to one pump. For children ages 12 and older, use one-to-two pumps daily. Apply the topical cream directly over the liver or abdomen or a thin skin area without hair. Adults apply two-to-three pumps over the liver or on a thin skin area without hair or as directed by your healthcare practitioner.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

GLUCO 1-2-3

Vitamin , Herbal, & Amino Acid Dietary Supplement (60 Servings)

	Amount Per Serving	%DV
Vitamin C (as ascorbic acid)	100 mg	111%
Vitamin E (as mixed tocopherols)	(45 IU) 30 mg	200%
Thiamin (as thiamin HCl)	6 mg	500%
Riboflavin	6 mg	462%
Niacin (as niacinamide, nicotinic acid)	22 mg NE	138%
Vitamin B6 (as pyridoxine HCl)	2 mg	118%
Folate (as L-5-methyltetrahydrofolate calcium)	80 mcg DFE	20%
Vitamin B12 (as methylcobalamin)	4 mcg	167%
Biotin	300 mcg	1000%
Pantothenic Acid (as d-calcium pantothenate)	30 mg	600%
Choline (as choline bitartrate)	40 mg	7%

Manganese (as manganese aspartate)	2 mg	87%
Chromium (as chromium polynicotinate)	140 mcg	400%

GLUCO 1-2-3 combines four complementary formulas that each support sugar metabolism and help maintain blood sugar levels already within the normal range.* This combination creates one easy-to-use package for the client. Each serving is packaged individually with the combination of these four formulas.

This product also includes fiber and a blend of plant-based enzymes. GLUCO 1-2-3 includes 100% or more of the recommended daily value for 10 nutrients, including thiamin, riboflavin, and the vitamins C, E, and B6. In addition, this combination provides an excellent source of folate, zinc, and selenium.

Holy Basil Extract (<i>Ocimum tenuiflorum</i>) (leaf)		Choline (as choline bitartrate)	40 mg	7%
Enzyme Blend (peptidase, glucoamylase, amylase, invertase, maltase)		Magnesium (as magnesium citrate)	25 mg	6%
Rhodiola Extract (<i>Rhodiola rosea</i>) (root)		Zinc (as zinc glycinate)	4 mg	36%
Prickly Pear Extract (<i>Opuntia ficus-indica</i>) (stem)		Selenium (as L-selenomethionine)	16 mcg	29%
L-Carnitine (as L-carnitine fumarate, L-carnitine L-tartrate)		Manganese (as manganese aspartate)	2 mg	87%
Eleuthero Extract (<i>Eleutherococcus senticosus</i>) (root)		Chromium (as chromium polynicotinate)	140 mcg	400%
Boerhavia Extract (<i>Boerhavia diffusa</i>) (root)				
Pantethine				
Cellulose Gum (<i>croscarmellose sodium</i>)				
L-Arginine HCl				
Alpha Lipoic Acid				
Betaine HCl				
Fu-Ling Extract (<i>Poria cocos</i>) (fungus)				
Inositol				
PABA (para-aminobenzoic acid)				
Vanadium (as vanadyl sulfate)				

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose, dicalcium phosphate, silica.

Suggested use: Take 1 packet once a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

G-NT

Vitamin , Herbal, & Amino Acid Dietary Supplement (90 Servings)

G-NT is designed to support the GABAergic system using specially selected nutrients, amino acids, and cofactors.* Key ingredients include magnesium, L-tryptophan, and high-quality, standardized valerian root and passion flower extracts. It incorporates high-potency vitamin B6 and manganese, as well as a high amount of zinc.

- **Designed to support the GABAergic system***
- **Formulated to support the body under transient stress***
- **Includes ingredients to support healthy sleep patterns***

	Amount Per Serving	%DV
Vitamin B6 (as pyridoxal 5'-phosphate)	6.8 mg	400%
Magnesium (as magnesium succinate)	10 mg	2%
Zinc (as zinc glycinate)	5 mg	45%
Manganese (as manganese succinate)	10 mg	435%
L-Taurine	150 mg	*
Valerian Extract (<i>Valeriana officinalis</i>) (root) (standardized to 0.8% valerenic acids)	100 mg	*
Passionflower Extract (<i>Passiflora incarnata</i>) (flower) (standardized to 3.5% flavonoids)	100 mg	*
L-Theanine	15 mg	*
Lithium (as lithium orotate)	10 mg	*
*Daily Value (DV) not established.		

Other ingredients: Vegetarian capsule (hypromellose), cellulose.

Suggested use: Take one capsule 3 times a day, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

GREAT BONES

Vitamin & Herbal Dietary Supplement (60 Servings)

GREAT BONES contains Ossopan, a well-researched, standardized extract from one of the world's safest premium sources of bone. Ossopan contains microcrystalline hydroxyapatite concentrate (MCHC), a complex crystalline compound containing calcium, phosphorus, bioactive growth factors, type I collagen, amino acids, glycosaminoglycans, and a broad range of essential trace elements that naturally comprise healthy bone. Ossopan MD contains additional calcium and magnesium in the form of highly absorbable Albion® minerals. Vitamin D, in the form of cholecalciferol, supports intestinal calcium absorption and homeostasis in the body and completes the comprehensiveness of this bone-support formula.†

	Amount Per Serving	% Daily Value
Vitamin D3 (cholecalciferol)	2.5 mcg (100 IU)	13%
Calcium (as MCHC ^{S1} and dicalcium malate ^{S2})	400 mg	31%
Phosphorus (as MCHC) ^{S1}	90 mg	7%
Magnesium (dimagnesium malate) ^{S2}	100 mg	24%
MCHC ^{S1}	1 g	**
Microcrystalline Hydroxyapatite (as MCHC ^{S1})	600 mg	**

** Daily Value not established.

Suggested use: Take two capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

- **Supports Carbohydrate Metabolism**
- **Supports Healthy Nervous System/Adrenal/Immune Function**
- **Supports Cardiovascular Health**
- **Supports Healthy Mental Function and Mood**

G-THIONE MAX

Liquid Glutathione Amino Acid Dietary Supplement (47 servings)

G-THIONE MAX is a breakthrough new approach to glutathione supplementation. It features, for the first time in a liposomal solution, S-acetyl L-glutathione (SAG), combined with reduced glutathione (GSH), and N-acetyl L-cysteine (NAC). This formulation utilizes three ways to support glutathione—intracellular with SAG, intracellular biosynthesis with NAC, and extra/intracellular (systemic) support with GSH.* Moreover, the liposomal S-acetyl L-glutathione in this formula provides a double layer (acetylation + liposomes) of protection to the glutathione molecule, further supporting its intracellular bioavailability.*

- **Supports intracellular and mitochondrial antioxidant processes***
- **Supports healthy brain function***
- **Supports the liver and detoxification activity***
- **Supports balanced immune system function***

	Amount Per Serving	%DV
Calories	10	
Total Carbohydrates	2 g	<1%†
N-Acetyl L-Cysteine	125 mg	*
Phosphatidylcholine (from sunflower lecithin)	75 mg	*
Proprietary Glutathione Blend:	175 mg**	*
L-Glutathione (reduced)		
S-Acetyl L-Glutathione		
†Daily Values are based on a 2,000 calorie diet.		
*Daily Value (DV) not established.		
**At time of manufacturing.		

Other ingredients: Filtered water, glycerine, sunflower lecithin, natural flavors, potassium sorbate (to maintain freshness), luo han guo fruit extract.

Suggested use: Take 5 mL (approx. 1 teaspoon) orally 1-2 times a day, or as directed by your healthcare professional. SHAKE WELL BEFORE USE. Best used within 60 days of opening.

Storage instructions: REFRIGERATE UPON RECEIPT. Keep this bottle tightly closed.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

GLUT 250

Amino Acid Dietary Supplement (60 Servings)

	Amount Per Serving	%DV
S-Acetyl L-Glutathione	250 mg	*
*Daily Value (DV) not established.		

Other ingredients: Acid-resistant vegetarian capsule (hypromellose, gellan gum), cellulose.

GLUT 250 supports intracellular antioxidant processes, offering 250 mg per capsule of S-acetyl L-glutathione, which is a form of reduced glutathione (GSH) designed for greater stability, bioavailability, and digestive comfort.* An adequate amount of GSH is important for many physiological processes.* Aging is associated with a decrease in glutathione activity, which can result in increased oxidative stress.

- **Supports intracellular and mitochondrial antioxidant processes***
- **Supports the maintenance of glutathione reserves, which is important for healthy brain function***
- **Supports balanced immune system function***
- **Supports liver detoxification activity***

Suggested use: Take 1 capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

GLUTBREAK

Enzyme and Bioflavonoid Dietary Supplement (30 servings)

GLUTBREAK is a one-of-a-kind digestive aid that features powerful DPP IV (dipeptidyl peptidase IV) digestive enzymes paired with specially targeted bioflavonoids to address unintentional gluten and casein exposures.* This two-in-one approach means you are not only addressing digestion of reactive gluten and casein proteins but also the downstream effects of those exposures.* One without the other simply falls short.

- **Excellent support for those on a gluten- or dairy-free diet***
- **Supports digestion of prolamine-rich peptides in gluten***
- **Supports digestion of casein***
- **Supports intestinal integrity***
- **Helps address the effects of accidental gluten and casein ingestion***

Suggested use: Take 2 capsules 2 times a day with meals, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

	Amount Per Serving	%DV
Proprietary Flavonoid Blend:	140 mg	*
Aloe Vera Gel Concentrate (<i>Aloe barbadensis</i>) (leaf)

Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

GREENIES

Vegetable, Fruit, Flavonoid & Antioxidant Vitamin C Dietary Supplement Powder (43 servings)

GREENIES is an advanced phytonutrient formula that uses a combination of tropical fruits, chlorophyll-rich vegetables, and spices native to the Mediterranean, Asia, and South America. Many of these ingredients have been used for thousands of years for their unique properties.* Several may be involved in antioxidant processes.* This formula also incorporates flavonoids to help support the immune system and phytochemicals to offer tissue support.* The ingredients are primarily organic or wildcrafted and include acai, kale, black currant, mangosteen, pomegranate, clove, turmeric, and ginger. GREENIES is prepared from a base of non-GMO, high-yielding pea protein.

Suggested use: Mix 1 scoop with up to 8 ounces of water. Mix well before drinking. Use once a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this container tightly closed.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

GUT IMMUNE

Vitamin , Mineral & Fatty Acid Dietary Supplement (180 Servings)

GUT IMMUNE represents the latest science in microbiota-related supplementation. It delivers short-chain fatty acids (SCFAs)—the natural end products (postbiotics) of complex carbohydrate digestion by enteric bacteria. An increasing number of studies demonstrate the broad and profound effects of SCFAs locally, in intestinal mucosal health and microbiota diversity, and systemically, as molecular messengers.*

- **Supports microbiome diversity and the health and function of intestinal epithelial cells***
- **Supports intestinal tight junction protein synthesis, which is critical to intestinal barrier function***
- **Supports colonic T-regulatory cell activity, immune homeostasis, and immune tolerance***
- **Supports energy metabolism***
- **Supports NF-kappaB signaling and cytokine production associated with good health***

	Amount Per Serving	%DV
Vitamin E (as d-alpha tocopherol acetate)	(45 IU) 30 mg	200%
Calcium (as calcium β -hydroxy β -methyl butyrate & calcium propionate)	80 mg	6%
Proprietary Blend:	540 mg	*
Butyric Acid (as calcium β -hydroxy β -methyl butyrate)		
Calcium Propionate		

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose, silica.

Suggested use: Take 1 capsule three times a day, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

GUT REGEN

Enzyme-Based, Mineral & Amino Acid Dietary Supplement Powder
(30 servings)

GUT REGEN is intended to offer targeted intestinal support.* A high-quality, selective blend that includes brush border enzymes, L-glutamine, and zinc carnosine is incorporated to help support intestinal cell metabolism and the intestinal microbial environment.* Furthermore, the number of ingredients is limited to accommodate those with certain dietary restrictions.

- **Key enzymes (including DPP IV gluten enzyme) selected to support intestinal enzymatic action in multiple pH environments***
- **Intended to support intestinal cell metabolism and the intestinal microbiome***
- **Designed for those with certain dietary restrictions***

	Amount Per Serving	%DV
Zinc (as zinc carnosine)	15 mg	136%

Other ingredients: Natural flavor (orange), cellulose, luo han guo fruit extract, sea salt.

Suggested use: Mix 1 scoop with up to 4-6 ounces of water. Mix well before drinking. Use twice a day, or as directed by your healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

HEMEBOOST

Vitamin & Herbal Dietary Supplement (120 Servings)

	Amount Per Serving	% Daily Value
Iron (as Ferrochel® ferrous bisglycinate chelate)	29 mg	161%

All Formulas Meet or Exceed cGMP Quality Standards.

Iron bisglycinate is a well-studied, 100% fully-reacted, patented form of iron exclusively from Albion® Laboratories. The amino acid glycine is actually one of the two starting materials the body uses to synthesize hemoglobin. Therefore, **HEMEBOOST** contributes two key factors. This form of iron has higher bioavailability, lower toxicity, less food reactivity, less food interactions and has a longer shelf life than any other common form of iron.*

- **Supplements Inadequate Dietary Intake of Iron***
- **Supports Increased Requirement for Iron***
- **Supports Healthy Ferritin and Hemoglobin Levels***

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

HISTAFORM

Dietary Supplement (60 Servings)

	Amount Per Serving	%Daily Value
Pig Kidney Extract (providing 20,000 HDU diamine oxidase (DAO))	4.2 mg	**

** Daily Value not established.

HISTAFORM provides a concentrated source of diamine oxidase (DAO)—the main enzyme responsible for the degradation of ingested histamine. This formula delivers the clinically researched dose of DAO in an easy-to-swallow, gastro-resistant mini-tablet, which is essential for releasing DAO in the small intestine, where it breaks down food-derived histamine. HISTAFORM does not manage or address antibody-related or IgE-related food allergies.*

- **Supports Healthy Degradation of Food-Derived Histamine***
- **Enhances the Presence of Diamine Oxidase in the Digestive Tract***

Suggested use: Take 1 capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

HISTA-DN

Vitamin & Herbal Dietary Supplement (90 Servings)

	Amount Per Serving	%Daily Value
Pig Kidney Extract (providing 20,000 HDU diamine oxidase (DAO))	4.2 mg	**

** Daily Value not established.

HISTA-DN provides a concentrated source of diamine oxidase (DAO)—the main enzyme responsible for the degradation of ingested histamine. This formula delivers the clinically researched dose of DAO in an easy-to-swallow, gastro-resistant mini-tablet, which is essential for releasing DAO in the small intestine, where it breaks down food-derived histamine. HISTA-DN does not manage or address antibody-related or IgE-related food allergies.*

- **Supports Healthy Degradation of Food-Derived Histamine***
- **Enhances the Presence of Diamine Oxidase in the Digestive Tract***

Suggested use: Take one tablet daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

HORMONE DETOX

Dietary Supplement (30 Servings)

	Amount Per Serving	% Daily Value
DIM (diindolylmethane)	300 mg	**
Glucoraphanin (from broccoli extract)(<i>Brassica oleracea italica</i>)(seed)(TrueBroc [®])	60 mg	**

**Daily Value not established.
All Formulas Meet or Exceed cGMP Quality Standards.

HORMONE DETOX Is an ideal combination of DIM (diindolylmethane) and truebroc[™] (glucoraphanin) that helps protect estrogen-sensitive tissues by promoting healthy estrogen metabolism and supporting detoxification and neutralization of harmful estrogen metabolites and xenoestrogens.*

- **Supports Healthy Estrogen Metabolism***
- **Supports a Healthy Ratio of 2-OH:16alpha-OH***
- **Supports Detoxification of Estrogen Metabolites/Intermediates***
- **Supports Cellular Health in Estrogen-Sensitive Tissues***
- **Helps Protect Against Damaging Reactive Oxygen Species, DNA-Damaging Electrophiles, and Cytokines**
- **Supports Antioxidant Activity with SGS***

Suggested use: Take 2 capsules once daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

I-12,500

Dietary Supplement (90 Servings)

	Amount Per Serving	% Daily Value
Iodine (7500 mcg as potassium iodide and 5000 mcg as molecular iodine)	12,500 mcg	8333%

I-12,500 is a superior iodine formulation created to enhance thyroid support and offer long-term, consistent results. I-12,500 contains the ideal balance of potassium iodide and molecular iodine (I₂).*

- **Supports a Healthy Synthesis of Thyroid Hormones***
- **Helps Maintain Healthy Breast Tissue***

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

Suggested use: Take one capsule daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

JOINTS

Vitamin & Herbal Dietary Supplement (90 Servings)

	Amount Per Serving	%Daily Value
Vitamin C (ascorbic acid)	38 mg	42%
Manganese (as manganese bisglycinate chelate) ^{S1}	2.5 mg	109%
Methylsulfonylmethane (MSM)	500 mg	**
Green-Lipped Mussel (<i>Perna canaliculus</i>)	500 mg	**
Chondroitin Sulfate (as chondroitin sulfate sodium) ^{S2}	300 mg	**
Glucosamine Sulfate Sodium Chloride	300 mg	**
Hyaluronic Acid ^{S3}	15 mg	**

** Daily Value not established.

JOINTS is designed to bolster what years of joint use can threaten in active individuals. This breakthrough formula contains critical joint building blocks and other nutrients that work cooperatively to nourish joint tissues and maintain a healthy joint environment.

- **Helps Maintain Healthy Joints***
- **Provides Joint Tissue Building Blocks***
- **Supports a Healthy Joint Environment by Influencing the Activity of Cytokines, Catabolic Enzymes, and Oxidative Molecules***

Suggested use: Take two capsules once daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

GUT IMMUNE 2

Fatty Acid & Fiber Dietary Supplement (45 Servings)

GUT IMMUNE 2 is a specialized prebiotic and postbiotic formula designed to boost microbiome diversity.* This formula supports the effectiveness of butyric acid in the gut by combining it with key fibers.* GUT IMMUNE 2 also supports many facets of gut-systemic communication.*

- Supports the growth and variety of beneficial gut bacteria*
- Supports the health and function of intestinal epithelial cells*
- Supports intestinal barrier function through tight-junction protein synthesis*
- Supports digestive health and function, metabolism, and healthy blood sugar and cholesterol levels already within the normal range*
- Supports healthy cytokine activity within the gastrointestinal tract*

	Amount Per Serving	%DV
Total Carbohydrate	<1 g	<1%†
Dietary Fiber	<1 g	3%†
Magnesium (as magnesium butyrate)	26 mg	6%†
Sodium	10 mg	<1%†
Butyric Acid (from magnesium & sodium butyrate)	250 mg	*
Fennel (<i>Foeniculum vulgare</i>) (seed)	100 mg	*
Proprietary Fiber Blend:	1000 mg	*
Psyllium Husk		
Inulin (from jerusalem artichoke)		
Cellulose Gum		
Guar Gum		
Apple Pectin		

†Daily Values are based on a 2,000 calorie diet.
*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), natural flavor, L-leucine, cellulose.

Suggested use: Take two capsules daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

GUT IMMUNE 3 FIBRO

Fiber Dietary Supplement (90 Servings)

	Amount Per Serving	%DV
Guar Gum	530 mg	*
Pectins (apple)	110 mg	*
Flaxseed Bran (<i>Linum usitatissimum</i>) (standardized to 4% lignans)	110 mg	*
Cellulose Gum	50 mg	*

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose.

GUT IMMUNE 3 FIBRO helps support the colon, sugar metabolism, and lipid metabolism with a spectrum of soluble and insoluble fibers.‡* The formula features water-soluble fibers as apple pectin, guar gum, and high-quality, standardized flaxseed bran. Generally, dietary fibers, especially soluble ones, may delay stomach emptying, and thus the rate of digestion and absorption, including carbohydrates.*

- **Provides support for sugar and lipid metabolism, and microbial environment‡***
- **Supports healthy stool bulk and transit***
- **Supports colon health***
- **Supports metabolism and intestinal mucosal barrier and immunity***

Suggested use: Take one capsule twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

MAX VOLTAGE MALE

Dietary Supplement (60 Servings)

MAX VOLTAGE MALE is a combination of three targeted nutritional formulas conveniently dose-packaged and providing comprehensive nutritional support. The formulas include Albion® chelated minerals; activated B vitamins; Quatrefolic®; botanicals; and fresh, pure, third-party assayed fish oils. Calcium is provided as DimaCal® dicalcium malate and calcium ascorbate or as microcrystalline hydroxyapatite concentrate (MCHC), DimaCal® dicalcium malate, and calcium ascorbate.

ActivNutrients® without Iron: A high-quality, hypoallergenic, proprietary multivitamin/mineral blend featuring activated vitamins, including folate as 5-MTHF (5-methyltetrahydrofolate), and patented Albion® chelated mineral complexes in easy-to-swallow vegetarian capsules.

OmegaPure 600 EC™: Is International Fish Oil Standards (IFOS) five-star certified, which assures the highest level of purity, stability, and potency in fish oils. Each fish-gelatin-based softgel provides 600 mg of EPA and DHA. The softgels are covered with a GRAS-certified enteric coating so that they are easy to swallow and the EPA/DHA content is optimally absorbed. EPA and DHA from fish oil promote wellness by supporting cardiovascular health, cytokine balance, joint health, and brain and nervous system function.*

Oraxinol™: An innovative blend of ORAC botanicals. ORAC (oxygen radical absorbance capacity) is a rating developed by the National Institute on Aging to measure antioxidant capacity. An ORAC rating of 6000 µmol TE (trolox equivalents), as found in two capsules of Oraxinol, has been shown to have the antioxidant equivalent of five to nine servings of fruits and vegetables.*

- **Provides Foundation Micronutrition for a Variety of Protocols***
- **Supports Improved Dietary Nutrient Intake***
- **Provides Antioxidant Support***

Each packet contains: 2 ActivNutrients without Iron capsules, 1 Oraxinol capsule, 1 OmegaPure 600 EC softgel.

MELONIGHT

Vitamin & Herbal Dietary Supplement (90 Servings)

	Amount Per Serving	% Daily Value
Vitamin B6 (as pyridoxine HCl)	10 mg	588%
Calcium (as dicalcium phosphate dihydrate)	35 mg	3%
Melatonin	5 mg	**

** Daily Value not established.

MELONIGHT is a vegetarian formula with a biphasic delivery system that releases melatonin quickly and then steadily. Melatonin is naturally produced in the pineal gland in response to changes in light exposure; it helps promote healthy sleep patterns as well as antioxidant and immune activities. MELONIGHT can support these functions by helping to maintain normal levels of melatonin in the body.*

- **Support Synchronization of the Body's Daily Biorhythms***
- **Support Restful Sleep***
- **Direct and Indirect Antioxidant Support***
- **Support Healthy Immune Response***
- **Support Brain Health***

Suggested use: Take one capsule daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

METHYLATION FACTORS

Vitamin & Herbal Dietary Supplement (120 Servings)

METHYLATION FACTORS is a comprehensive formula designed to support optimal methylation and help maintain healthy homocysteine levels already within normal range. It features five key nutrients that are involved in homocysteine metabolism: folate as calcium folinate and Quatrefolic® for increased bioactivity; trimethylglycine; and vitamins B12, B6, and B2. These five nutrients, provided in activated forms, support enhanced methylation and overall cardiovascular health.*

	Amount Per Serving	% Daily Value
Riboflavin (as riboflavin 5'-phosphate sodium)	25 mg	1,923%
Vitamin B6 (as pyridoxal 5'-phosphate)	10 mg	588%
Folate (1,700 mcg DFE as calcium folinate and 1,700 mcg DFE as (6S)-5-methyltetrahydrofolic acid, glucosamine salt ^{S1})	3,400 mcg DFE	850%
Vitamin B12 (as methylcobalamin)	1,000 mcg	41,667%
Betaine Anhydrous (trimethylglycine)	500 mg	**
** Daily Value not established		

- **Supports Cardiovascular and Neurological Health***
- **Supports the Maintenance of Healthy Homocysteine Levels Already Within Normal Range***
- **Supports Healthy Methylation of Estrogen, Dopamine, Epinephrine, Heavy Metals, and Environmental Toxins***

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

MITOLIPIDS

Vitamin & Herbal Dietary Supplement (33 Servings)

	Amount Per Serving	%Daily Value†
Calories	30	
Polyenylphosphatidylcholine (PPC) (from soybean lecithin)	2.7 g	**
Total Fat	3 g	4%†

† Percent Daily Values are based on a 2,000 calorie diet. ** Daily Value not established.
All Formulas Meet or Exceed cGMP Quality Standards.

MITOLIPIDS provides 2.7 g of pure polyenylphosphatidylcholine (PPC) per serving plus the highest concentrated source of 1,2 DLPC (dilinoleoylphosphatidylcholine). Unlike most other phosphatidylcholine products on the market, MITOLIPIDS contains no other phospholipids, aside from PPC and DLPC, that may compete for absorption. Studies suggest that PPC ingestion increases choline levels in the blood and brain and supports acetylcholine synthesis for healthy neuronal and cell function. Daily supplementation of PPC may help maintain healthy brain and liver function, healthy cholesterol levels already within the normal range, and gastric mucosal protection. PPC is widely used to support healthy aging.*

- **Supports Healthy Cell Membrane Composition and Normal Membrane Repair Mechanisms***
- **Supports Cell Membrane Fluidity***
- **Supports Liver Health and Function***
- **Supports Detoxification Enzymes***
- **Supports Cardiovascular Health***
- **A Source of Choline (~130 mg/softgel)**

Suggested use: Take three softgels once daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

M-TOPICAL

Topical Cream (120 Servings)

OTHER INGREDIENTS: Water, Propanediol, Vitamin E (D-alpha Tocopherol), Polyacrylamide (and) C13-14 Isoparaffin (and) Laureth-7, Caprylic/Capric Triglycerides, Vitamin K1, Urea, Glycerin, Phenoxyethanol, Cetearyl Alcohol (and) Cetareth-20, Cocos Nucifera (Coconut) Oil, Vitamin B-9 Folate (L-Methylfolate, Calcium Salt), Folinic Acid, Vitamin B-6 (Pyridoxal-5-Phosphate), Rosa Canina (Rose Hips) Fruit Extract, Citrus Aurantium Dulcis (Orange) Peel Extract, Vitamin D-3 (Cholecalciferol), Aloe Barbadensis (Aloe Vera) Whole Leaf, Citrus Grandis (Pink Grapefruit) Peel Oil, Gardenia Jasminoides Fructus Fruit Extract, Vitamin B-12 (Hydroxycobalamin), Vitamin B-12 (Methylcobalamin), MSM (Methylsulfonylmethane), Sodium Hyaluronate (Hyaluronic Acid), Panthenol (Pro-vitamin B5). Quatrefolic® (6S-5-Methyltetrahydrofolate glucosamine salt) Quatrefolic® is trademarked by Gnosis S.pA Patent No. 7,947,662.

M-TOPICAL provides superior support for over 200 body processes that rely on methylation. Studies show that roughly one in three Americans have genetic weaknesses that inhibit methylation. This intricate system, revolving around methylfolate, is complex and relies on several nutrients, including Vitamin D, Vitamin K, and B Vitamins. M-TOPICAL provides potent support to turbocharge this critical process, which is particularly crucial for those dealing with methylation deficiencies or linked genetic variations.*

- **Mood improvement and stabilization***
- **Enhanced mental focus and concentration***
- **Better organizational abilities***
- **Improved short-term memory***
- **Healthier sleep cycles***
- **Improved immune function and well-being***

Suggested use: Apply one pump twice daily, or as your healthcare professional recommends. Apply one pump in the AM and one pump in the PM two-to-three hours before bedtime. Each dosage should be slightly smaller in size than a dime, approximately

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

MULTI-TOX 30

Enzyme Based, Multivitamin, Mineral, Amino Acid & Herbal Dietary Supplement (42 servings)

MULTI-TOX30 is designed to offer gastrointestinal and metabolic support.* This formula includes the powerful combination of hypoallergenic nutrients, amino acids, and minerals, but excludes sources of rice and pea protein for those with sensitivities to grains or peas or who require low carbohydrate content. It also contains no sugars, which makes it ideal for anti-yeast diets. MULTI-TOX30 is also intended to support liver detoxification and chemical biotransformation with targeted nutritional cofactors.*

- **Over 5 grams of targeted amino acids as protein replacement and to support individuals on special diets***
- **Intended to support a normal blood sugar balance in healthy individuals†***
- **Formulated with nutrients and cofactors to offer support for the gastrointestinal and immune systems***
- **Formulated without sugars**
- **Designed for individuals with grain or pea sensitivities***

Suggested use: Mix 1 scoop with 4-6 ounces of water. Mix well before drinking. Use once a day, or as directed by your healthcare professional. This product should not be used in a diet supplying less than 600 calories per day without complete medical supervision.

Storage instructions: Store at room temperature away from direct sunlight. Keep this container tightly closed.

MULTIFULL POWDER

Multivitamin, Mineral, & Amino Acid Dietary Supplement (60 servings)

MULTIFULL POWDER helps support sugar metabolism through a complex formula that incorporates minerals, fibers, branched chain amino acids, and plant sterols.‡* It can also be used to support the peripheral utilization of sugars and to maintain blood sugar levels already within the normal range.* This formula further includes vitamins and electrolytes such as high-potency thiamin, riboflavin, niacin, vitamin B6, pantothenic acid, manganese, and chromium intended to offer additional nutritional support.*

- Includes a complex group of nutrients that can help reduce temporary fluctuations of blood sugar that may normally occur between meals*
- Includes minerals, fibers, plant sterols, and branched chain amino acids that can support sugar metabolism and the peripheral utilization of sugars*
- Intended to support a normal blood sugar balance in healthy individuals‡*

Suggested use: Mix 1 scoop with up to 8 ounces of water. Mix well before drinking. Use once a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

NEURO FIRE

Herbal Dietary Supplement (90 servings)

NEURO FIRE is a phenol-flavonoid complex designed to specifically target brain health as it relates to microglial activity (in the brain-immune system) and the associated oxidative stress.* The brain-immune system plays a key role in maintaining the cellular environment in the central nervous system.* Key ingredients include catechins, curcuminoids, baicalin, and apigenin.

	Amount Per Serving	%DV
Catechins (from Green Tea Extract [<i>Camellia sinensis</i>]) (leaf)	100 mg	*
Curcuminoids (from Turmeric Extract [<i>Curcuma longa</i>]) (root)	100 mg	*
Rutin (from <i>Sophora japonica</i>) (bud)	75 mg	*
Baicalin (from Baikal Skullcap Extract [<i>Scutellaria baicalensis</i>]) (root)	60 mg	*
Resveratrol (from Japanese Knotweed Extract [<i>Polygonum cuspidatum</i>]) (root)	50 mg	*
Apigenin (from Chamomile Extract [<i>Matricaria recutita</i>]) (flower)	30 mg	*
Luteolin (from Chrysanthemum Extract [<i>Dendranthema morifolium</i>]) (leaf)	20 mg	*
*Daily Value (DV) not established.		

Other ingredients: Vegetarian capsule (hypromellose), cellulose.

Suggested use: Take 1 capsule twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

- **Supports healthy brain-antioxidant systems***
- **Supports a healthy balance of microglial activity in the central nervous system***
- **Supports healthy immune response mechanisms, including when NF-κB activation occurs and during cytokine signaling, within brain tissue***

N-OX

Liquid Amino Acid & Herbal Dietary Supplement (94 servings)

N-OX is an advanced combination of carefully selected ingredients that work together to affect NOS (nitric oxide synthase) activity and intracellular energy production.* It also influences the related production of cell-signaling molecules and oxidants.* This formulation takes advantage of the compounding and complementary actions of its ingredients to deliver a truly effective formula backed by a decade of successful clinical use.* N-OX is an excellent choice for individuals needing immune balance, brain function, and exercise support.*

Suggested use: Take 1 teaspoon 1-2 times a day, or as directed by your healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

	Amount Per Serving	%DV
Proprietary Blend:	125 mg	*
ATP (as adenosine 5'-triphosphate disodium)		
Xanthinol Nicotinate		
N-Acetyl L-Carnitine (as N-acetyl L-carnitine hydrochloride)		
Alpha-GPC (L-alpha glycerylphosphorylcholine)		
Vinpocetine		
Huperzine A (from Toothed Clubmoss Extract [<i>Huperzia serrata</i>]) (whole plant)		

*Daily Value (DV) not established.

Other ingredients: Filtered water, vegetable glycerin, honey, evening primrose oil, xanthan gum, luo han guo fruit extract, sodium citrate, gluconic acid, cinnamon oil, natural flavor (peppermint), potassium sorbate (to maintain freshness), stevia extract, citric acid.

- **Supports a healthy immune response***
- **Supports a healthy neurovascular system and healthy brain function***
- **Supports cellular energy production, including in neurons***
- **Supports metabolic endurance during exercise***

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

NRF2 NO FLAM

Vitamin & Herbal Dietary Supplement (15 servings)

	Amount Per Serving	%DV
Turmeric Extract (<i>Curcuma longa</i>)(rhizome)(95% total curcuminoids complex, including curcumin, curcuminoids, and volatile oils)(86% curcuminoids)(65% curcumin) ^{S1}	400 mg	**
Green Tea Aqueous Extract (<i>Camellia sinensis</i>)(leaf)(60% catechins, 30% EGCG, 6% caffeine)	400 mg	**
<i>trans</i> -Pterostilbene ^{S2}	100 mg	**
Glucoraphanin (from broccoli extract)(<i>Brassica oleracea italica</i>)(seed) ^{S3}	60 mg	**

** Daily Value (DV) not established.

NRF2 NO FLAM is an exclusive formula designed to activate the Nrf2 genetic pathway. This pathway regulates the production of important molecules that impart antioxidant activity, such as glutathione and superoxide dismutase (SOD). It also regulates the production of detoxification enzymes, including glutathione S-transferase, and downregulates signaling factors such as NF-κB.*

- **Antioxidant Support***
- **Supports the Body's Natural Detoxification Pathways***

Suggested use: Take two capsules once daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

3 OMEGA

Emulsified Omega 3 Fatty Acids with Vitamin and Mineral Cofactors (31 servings)

3 OMEGA is a unique formulation that delivers 950 mg of omega-3 and -6 fatty acids in every tablespoon. This product is prepared using an advanced emulsification process which creates micronized structures that increase the surface-to-volume ratio of particles to make them more available to enzymatic action.* To optimize absorption, fatty acid metabolism, and overall system support, this formulation is specially emulsified, and vitamin and mineral cofactors and the amino acid taurine are added.* This pleasant-tasting liquid is ideal for serving flexibility and for those who cannot take softgels.

- **Supports a balanced production of cytokines, prostaglandins, and leukotrienes***
- **Supports healthy cell membrane composition***
- **Supports neurological, cardiovascular, and immune health***
- **Supports healthy blood sugar metabolism†***
- **By supplying the precursors EPA and DHA, helps the body endogenously form specialized proresolving mediators (SPMs)***

OMEGA HIGH POWERED

Vitamin and Herbal Dietary Supplement (90 servings)

OMEGA HIGH POWERED is

International Fish Oil Standards (IFOS) five-star certified, which assures the highest level of purity, stability, and potency in fish oils. Each dose of this concentrated fish oil provides 900 mg of EPA and DHA and is delivered in a small, fish-gelatin-based softgel. The softgels are covered with a GRAS-certified enteric coating so that they are easy to swallow and the EPA/DHA content is optimally absorbed. EPA and DHA from fish oil promote wellness by supporting cardiovascular health, cytokine balance, joint health, and brain and nervous system function.*

- **Affects the Production of Arachidonic Acid-Derived Eicosanoids***
- **Helps the Body Generate Specialized Proresolving Lipid Mediators, Such as Resolvins and Protectins***
- **Supports Cardiovascular Health***
- **Supports Healthy Mental Functioning***
- **Supports Healthy Glucose and Insulin Metabolism***

OXY B

Herbal Dietary Supplement (90 servings)

	Amount Per Serving	%DV
Riboflavin	20 mg	1538%
Magnesium (as magnesium citrate)	40 mg	10%
Feverfew Extract (<i>Tanacetum parthenium</i>) (flower)	300 mg	*
Butcher's Broom Extract (<i>Ruscus aculeatus</i>) (root, fruit & flower) (standardized to 20% saponins)	200 mg	*
Ginkgo Extract (<i>Ginkgo biloba</i>) (leaf) (standardized to 24% flavone glycosides and 6% terpenes lactones)	100 mg	*
Cayenne Pepper (<i>Capsicum annuum</i>) (fruit)	40 mg	*
Vinpocetine	10 mg	*
*Daily Value (DV) not established.		
Other ingredients: Vegetarian capsule (hypromellose), cellulose.		

OXY B is uniquely designed and mechanistically balanced to support the cerebral microvasculature for healthy blood flow to the brain.* By using high quality, standardized extracts with targeted “brain nutrients” such as vinpocetine at clinically studied levels, this formula may be useful to those seeking support for brain health and brain function.*

- **Supports circulation and vascular tone***
- **Supports oxygenation of the brain***
- **Supports healthy cognitive function***
- **Helps support brain energy metabolism***
- **Supports antioxidant activity in the brain***
- **Supports the immune system via signaling pathways, such as NF-kB***
- **Promotes neuronal health via support of mitochondrial function***

Suggested use: Take 1 capsule twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

PATH X

Herbal & Fatty Acid Dietary Supplement (30 servings)

PATH X combines three complementary formulas that are each designed to support the intestinal terrain.* Each serving is packaged individually with the combination of these three formulas. ‘

PATH X, when taken in combination with GUT REGEN is intended to support the intestinal immune system and the intestinal environment.* GUT REGEN is a powerful dietary and nutritional support designed to support the intestinal membranes.*

Suggested use: Take 1 packet once a day, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Each packet contains:

H-PLR supports the immune system, gastrointestinal terrain, and intestinal mucosal barrier.*

Key ingredients include phytonutrients, oregano, barberry, and goldenseal extracts
FUNGAL Y-M supports a healthy intestinal environment, the intestinal-mucosal barrier, and a healthy gut-microbial balance.*

This formula combines pau d'arco with high-quality, standardized extracts of uva ursi and cat's claw
Includes undecylenic acid and caprylic acid

Key ingredients may be involved in antioxidant processes*
Formula includes wormwood, black walnut, olive leaf, and garlic

Herbal & Fatty Acid Dietary Supplement (30 servings)

	Amount Per Serving	%DV
Proprietary Blend:	2200 mg	*
Wormwood Extract (<i>Artemisia annua</i>) (aerial parts)		
Black Walnut Extract (<i>Juglans nigra</i>) (hull)		
Undecylenic Acid (as calcium undecylenate)		
Caprylic Acid (as magnesium caprylate)		
Barberry Extract (<i>Berberis aristata</i> , <i>Berberis asiatica</i> , and <i>Berberis vulgaris</i>) (root and bark)		
Olive Extract (<i>Olea europaea</i>) (leaf) (standardized to 18% oleuropein)		
Garlic Extract (<i>Allium sativum</i>) (bulb) (standardized to 1% allicin)		
Goldenseal Extract (<i>Hydrastis canadensis</i>) (root)		
Oregano Extract (<i>Origanum vulgare</i>) (leaf)		
Uva Ursi Extract (<i>Arctostaphylos uva-ursi</i>) (leaf) (standardized to 20% arbutin)		
Cat's Claw Extract (<i>Uncaria tomentosa</i>) (bark) (standardized to 3% oxindole alkaloids)		
Pau D'Arco Extract (<i>Tabebuia impetiginosa</i>) (bark)		
Oregon Grape Extract (<i>Mahonia aquifolium</i>) (root)		
Chinese Goldthread Extract (<i>Coptis chinensis</i>) (root)		

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose. Contains Walnut (black walnut hull extract).

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

PHASE 1 PHASE 2

Vitamin, Mineral, & Amino Acid Dietary Supplement (90 servings)

PHASE 1 PHASE 2 is a formula designed to support phase I and phase II detoxification with a combination of synergistic vitamin substrates, amino acids, and phytonutrients such as milk thistle and dandelion extracts.* This product is an excellent source of antioxidant vitamin C and contains high-potency thiamin, niacin, pantothenic acid, and molybdenum. It also includes 350,000 PU of bromelain per capsule.

- **Designed to support phase I and phase II detoxification***
- **Incorporates ingredients that may support the liver***
- **Rich in vitamin C, thiamin, and niacin**

	Amount Per Serving	%DV
Vitamin C (as ascorbic acid)	25 mg	28%
Thiamin (as thiamin HCl)	5 mg	417%
Niacin (as niacinamide)	20 mg NE	125%
Pantothenic Acid (as d-calcium pantothenate)	25 mg	500%
Magnesium (as magnesium citrate)	15 mg	4%
Zinc (as zinc glycinate)	10 mg	91%
Copper (as copper gluconate)	0.2 mg	22%
Molybdenum (as molybdenum amino acid chelate)	150 mcg	333%
Milk Thistle Extract (<i>Silybum marianum</i>) (seed)	100 mg	*
Dandelion Extract (<i>Taraxacum officinale</i>) (root)	75 mg	*
Glycine	75 mg	*
DL-Methionine	75 mg	*
N-Acetyl L-Cysteine	55 mg	*
Gotu Kola Extract (<i>Centella asiatica</i>) (whole herb)	50 mg	*
Asian Ginseng (<i>Panax ginseng</i>) (root)	40 mg	*
L-Glutathione	10 mg	*
Bromelain	350,000 PU	*
Proprietary Blend:	54 mg	*
Trimethylglycine		
Betaine HCl		
Peptidase		

*Daily Value (DV) not established.

Suggested use: Take 1 capsule twice a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

PRE-CATS

Vitamin & Herbal Dietary Supplement (90 servings)

PRE-CATS is designed to support the catecholaminergic system, using key nutrients and precursors.* This product also incorporates ingredients that may support brain function, as it relates to working memory, focus, and alertness.* Offering compounds such as guarana and eleuthero, this product is intended to aid during occasional stress and to support energy levels.* It further provides high-potency vitamin C and pantothenic acid.

Within the brain, catecholamines are involved in pathways that begin in the brainstem locus coeruleus area and project to many different brain regions, including the reticular formation (involved in alertness) and the prefrontal cortex (involved in concentration and mental speed). The prefrontal circuits have the ability to use information that is no longer in the environment in order to conduct behavior and thought, a process called "working memory."

	Amount Per Serving	%DV
Vitamin C (as ascorbic acid)	100 mg	111%
Pantothenic Acid (as d-calcium pantothenate)	100 mg	2000%
Proprietary Blend:	600 mg	*
L-Tyrosine		
Guarana Extract (<i>Paullinia cupana</i>) (seed) (standardized to 40% caffeine)		
Eleuthero Extract (<i>Eleutherococcus senticosus</i>) (root) (standardized to 0.8% eleutherosides)		

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose.

Suggested use: Take 1 capsule once a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

PRE-MEM

Vitamin & Herbal Dietary Supplement (60 servings)

PRE-MEM is a unique combination of nutrients and botanicals that supports cognitive function and a healthy memory. It features select B vitamins, including Quatrefolic®, a patented form of 5-MTHF; the herbs Ginkgo biloba and Bacopa monnieri; nutrients that provide antioxidant activity; and brain-specific nutrients such as acetyl-L-carnitine and sunflower-derived phosphatidylserine. This comprehensive formula addresses the multiple pathways involved in neurological health by supporting oxidant and cytokine balance, methylation, mitochondrial function, and endocrine balance.*

- **Helps Support Normal, Healthy Cognitive Function***
- **May Support the Health of Brain Tissue***

	Amount Per Serving	% Daily Value
Vitamin B6 (as pyridoxal 5'-phosphate)	5 mg	294%
Folate (as (6S)-5-methyltetrahydrofolic acid, glucosamine salt) ^{S1}	170 mcg DFE	43%
Vitamin B12 (as methylcobalamin)	100 mcg	4,167%
Acetyl-L-Carnitine (as acetyl-L-carnitine HCl)	250 mg	**
N-Acetyl-L-Cysteine	100 mg	**
Ginkgo Extract (<i>Ginkgo biloba</i>)(leaf)(20% ginkgoflavonglycosides and 5% terpene lactones)	60 mg	**
Bacopa Extract (<i>Bacopa monnieri</i>)(whole plant)(8% bacosides)	50 mg	**
Phosphatidylserine ^{S2}	15 mg	**
<i>trans</i> -Resveratrol (from <i>Polygonum cuspidatum</i> root extract)	1 mg	**
Huperzine A (from <i>Huperzia serrata</i>)(whole plant)	100 mcg	**
** Daily Value not established.		

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

PRE-NATAL

Vitamin and Herbal Dietary Supplement (30 servings)

PRE-NATAL is designed to nourish maternal health prior to conception and during pregnancy while optimally supporting baby's healthy development. Key nutrients are provided in forms that enhance absorption and are gentle on the digestive tract.*

Features:

5-MTHF – the most biologically active form of folate, an essential vitamin for brain and spinal cord development*

Bioavailable and gentle minerals – Ferrochel® iron, DimaCal® calcium, and trace minerals provided as amino acid chelates promote optimal utilization while being gentle to the gastrointestinal tract*

- **Supports Maternal Nutrition Before and During Pregnancy***
- **Supports a Healthy Pregnancy Outcome***
- **Provides Key Ingredients to Promote Healthy Fetal Neurodevelopment***

Suggested use: Take five capsules once daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

PRE-NATAL

Vitamin and Herbal Dietary Supplement (30 servings)

	Amount Per Serving	%DV for Pregnant or Lactating Women
Vitamin A (60% as natural beta-carotene and 40% as retinyl palmitate)	1500 mcg	115%
Vitamin C (ascorbic acid)	100 mg	83%
Vitamin D3 (cholecalciferol)	50 mcg (2000 IU)	333%
Vitamin E (as d-alpha tocopheryl succinate)	134 mg	705%
Thiamin (as thiamine HCl)	5 mg	357%
Riboflavin (as riboflavin 5'-phosphate sodium)	5 mg	313%
Niacin (as niacinamide)	25 mg	139%

Copper (as copper bisglycinate chelate) ^{S2}	2 mg	154%
Manganese (as manganese bisglycinate chelate) ^{S2}	5 mg	192%
Chromium (as chromium nicotinate glycinate chelate) ^{S2}	100 mcg	222%
Molybdenum (as molybdenum glycinate chelate) ^{S2}	100 mcg	200%
Vitamin K2 (as menaquinone-7)	100 mcg	**

** Daily Value (DV) not established.

All Formulas Meet or Exceed cGMP Quality Standards.

Warning:
Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

PRE-PRO COMP

Vitamin and Herbal Dietary Supplement (30 servings)

Serving Size: 1 Stick Pack (about 2.4 g) Servings Per Container: 30		
	Amount Per Serving	%Daily Value
Calories	5	
Total Carbohydrate	1 g	0%‡
Dietary Fiber	1 g	4%
Arabinogalactan (from <i>Larix laricina</i>)(heartwood)	1.5 g	**
<i>Saccharomyces boulardii</i>	500 mg (10 Billion CFU†)	**
Proprietary Blend <i>Lactobacillus acidophilus</i> La-14 ^{S1} <i>Bifidobacterium longum</i> Bl-05 ^{S1} <i>Lactobacillus plantarum</i> Lp-115 ^{S1}	174 mg (15 Billion CFU†)	**
<i>Bifidobacterium lactis</i> HN019 ^{S1,S2}	50 mg (15 Billion CFU†)	**
‡Percent Daily Values are based on a 2,000 calorie diet. **Daily Value not established. All Formulas Meet or Exceed cGMP Quality Standards.		

PRE PRO COMP is an ideal combination of ingredients for individuals seeking a well-rounded supplement to address intestinal ecology, cellular health, and immunity. It features well-researched probiotic strains; *Saccharomyces boulardii*, a non-pathogenic yeast; and arabinogalactan, a prebiotic. By combining these ingredients, the individual benefits of each component can be complemented by the mechanisms of the others.*

- **Maintains Healthy Intestinal Microecology, Neutralizes Certain Bacterial Toxins***
- **Supports Balance of Healthy Intestinal Flora***
- **Supports the Natural Immune Response***
- **Supports Bowel Regularity***
- **Enhances Integrity of Mucosa and Enzymatic Activity of the Intestinal Cells***
- **Positively Affects the Production of Cytokines***

Suggested use: Take one stick pack once daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

PRE-PRO MAX FULL

Probiotic Dietary Supplement (60 servings)

	Amount Per Capsule	%DV
Proprietary Probiotic Blend:	15 Billion CFU†	*
<i>Lactobacillus casei</i>		
<i>Bifidobacterium breve</i>		
<i>Lactobacillus plantarum</i>		

*Daily Value (DV) not established.

†At time of manufacturing.

Other ingredients: Cellulose, acid-resistant vegetarian capsule (hypromellose, gellan gum).

PRE-PRO MAX FULL incorporates key strains of probiotics that are intended to support the intestinal microbial environment, as well as the intestinal mucosal barrier.* This innovative product may also help support the immune system via certain immune pathways.* Ingredients include *Lactobacillus plantarum*, *Lactobacillus casei*, and *Bifidobacterium breve*.

- **15 billion† CFU friendly bacteria* per capsule**
- **Uses pH-sensitive capsules that can pass through the stomach for targeted delivery***
- **Blister packed to maintain freshness, to eliminate exposure to moisture, and to further maintain potency***
- **Intended to support the intestinal microbial environment***
- **May help sustain the intestinal mucosal barrier***
- **Includes ingredients that may also support the immune system***

Suggested use: Take one capsule twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

PRE-PRO SMALL

PRO-MAX

Vitamin and Herbal Dietary Supplement (15 servings)

PRO MAX features a diverse blend of HOWARU® probiotic strains to support a healthy gut microbiome. Each strain is well-researched and identity-verified and has been genetically characterized and properly classified for your safety and assurance. These strains were not only selected for their health benefits and complementary actions but also for their viability and stability.*

With the 18 different strains of health-promoting bacteria provided in PRO MAX, the impact on multiple body systems and functions—such as on immunity, digestion, metabolism, and cytokine production—is maximized because different strains have slightly different functions and are concentrated in various places along the digestive tract. Using a variety of strains also mimics a healthy diet that includes foods containing live and active bacterial cultures, such as fermented foods.*

To protect the bacteria from light and moisture, each flavoring- and sweetener-free serving of PRO MAX comes in an opaque, foil-lined stick pack.

- **Supports a Healthy Microbiome***
- **Replenishes Good Bacteria in the Gut***
- **Supports the Natural Immune Response***
- **Supports Lactose Digestion***
- **Supports Bowel Regularity***

Suggested use: Take one pack once daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

PROSTA-GO

Vitamin and Herbal Dietary Supplement (30 servings)

PROSTA-GO supports normal male lower urinary tract function and prostate health. Clinically meaningful levels of key ingredients target urinary flow and frequency as well as prostate-related hormone metabolism. This formula features FLOWENS®—a full-spectrum cranberry powder optimized for men’s health—combined with beta-sitosterol, pyridoxal 5’-phosphate, TRAACS® zinc bisglycinate chelate, and highly concentrated, standardized extracts of saw palmetto and pygeum.*

- **Supports Healthy Lower Urinary Tract (LUT) Function in Men***
- **Supports Normal Urinary Flow and Nocturnal Frequency***
- **Supports Healthy Prostate-Related Hormone Metabolism***
- **Supports Prostate Health***

	Amount Per Serving	%Daily Value
Vitamin B6 (as pyridoxal 5’-phosphate)	10 mg	588%
Zinc (as zinc bisglycinate chelate) ^{S1}	30 mg	273%
Cranberry Fruit Solids (<i>Vaccinium macrocarpon</i>)(fruits) ^{S2}	500 mg	**
Saw Palmetto Extract (<i>Serenoa repens</i>)(dried fruits)(85% free fatty acids)	320 mg	**
Beta-Sitosterol	180 mg	**
Pygeum Extract (<i>Prunus africana</i>)(bark)(2.5% beta-sitosterol)	100 mg	**

** Daily Value not established.

Suggested use: Take two softgels once daily or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

PROTEIN STRONG

Collagen Protein & Protease Enzyme Dietary Supplement Powder (45 servings)

	Amount Per Serving	%DV
Calories		25
Sodium	20 mg	<1%†
Protein	5 g	10%†
Proprietary Blend:	5945 mg	*
Hydrolyzed Collagen (bovine)		
Medium Chain Triglycerides Oil		
Protease Enzyme		
† Daily Values are based on a 2,000 calorie diet.		
* Daily Value (DV) not established.		

Other ingredients: Natural flavor (berry pomegranate), cellulose, sea salt, luo han guo fruit extract, silica.

PROTEIN STRONG supports energy metabolism and protein intake through the use of hydrolyzed collagen protein (bovine).* It also utilizes protease enzyme that can support protein breakdown.* Collagen **PROTEIN STRONG** has a natural berry/pomegranate flavor.

- **Offers a complete protein spectrum***
- **Designed to support energy metabolism and enhanced protein intake***
- **Incorporates protease enzyme to support protein breakdown***
- **Formulated with hydrolyzed bovine collagen I and III, which may additionally support skin, hair, nail, and joint health***

Suggested use: Mix 1 scoop with 4-6 ounces of water. Mix well before drinking. Use once a day, or as directed by your healthcare professional. This product should not be used in a diet supplying less than 600 calories per day without complete medical supervision.

Storage instructions: Store at room temperature away from direct sunlight. Keep this container tightly closed.

Warning

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

10Q+ CAPS

Vitamin and Herbal Dietary Supplement (30 servings)

Ubiquinol, the bioactive form of CoQ10, supports antioxidant activity by neutralizing free radicals and toxic superoxides. It supports cytoprotection by minimizing membrane lipid peroxidation as well. The patented, lipid-stabilized form of ubiquinol in **10 Q+ CAPS** is present for enhanced bioavailability. Ubiquinol, representing over 90% of total body CoQ10, is efficiently converted to the energy-generating ubiquinone form as the body needs it.*

- **Supports Antioxidant Activity in Lymph, Blood, and Cell Membranes***
- **Provides Fully Reduced Form of CoQ10***
- **Neutralizes Superoxide and Other Free Radicals***
- **Patented, Stabilized Form of Ubiquinol***

	Amount Per Serving	%Daily Value
Calories	15	
Total Fat	1.5 g	2%†
Coenzyme Q10 (as ubiquinol) ^{S1}	200 mg	**

† Percent Daily Values are based on a 2,000 calorie diet.
** Daily Value not established.
All Formulas Meet or Exceed cGMP Quality Standards.

Suggested use: Take one or two softgels daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

10Q+

Liquid Dietary Supplement (47 servings)

	Amount Per Serving	%DV
Calories	15	
Calories from Fat	15	
Total Fat	1.5 g	2%†
Saturated Fat	1.5 g	8%†
CoQ10 (as ubiquinone)	200 mg	*
PQQ (pyrroloquinoline quinone disodium salt)	5 mg	*

†Daily Values are based on a 2,000 calorie diet.

*Daily Value (DV) not established.

Other ingredients: Filtered water, medium chain triglycerides, vegetable glycerin, sunflower seed lecithin, citric acid, natural flavor, xanthan gum, sodium citrate, luohanguo fruit extract, potassium sorbate (to maintain freshness).

10 Q+ is designed to support cellular energy and mitochondrial function through a combination of CoQ10 and pyrroloquinoline quinone (PQQ).^{*} PQQ supports the function of mitochondria, the powerhouses of the cell.^{*} As a result, this nutrient also provides support for parts of the body that need large amounts of energy for optimal function, such as the brain and nervous system.^{*}

- **Provided in emulsified/micronized structures***
- **Includes approximately 9400 mg of CoQ10 per bottle (about 47 servings at 200 mg each)**
- **Formulated to support cellular energy***
- **Designed to aid mitochondrial function***
- **Incorporates nutrients that help support the brain and nervous system***
- **Includes ingredients that may be involved in antioxidant processes***
- **Has a pleasant, fruity flavor**

Suggested use: Take 5 mL (approx. 1 teaspoon) orally 1-2 times a day, or as directed by your healthcare professional. **SHAKE WELL BEFORE USE.**

Storage instructions: REFRIGERATE UPON RECEIPT. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

RAINBOW NUTRIENTS

Vitamin and Herbal Dietary Supplement (30 servings)

RAINBOW NUTRIENTS is a convenient powdered formulation providing key nutrients to support a healthy lifestyle. This comprehensive formula incorporates an innovative blend of organic greens, vegetables, fruits, berries, phytonutrients, organic fiber sources, probiotics, and digestive enzymes. RAINBOW NUTRIENTS also features a bioavailable, antioxidant-rich blend of green tea and apple extracts. In addition, TrueBroc® broccoli seed extract with standardized glucoraphanin content is present to provide long-lasting antioxidant support. This nutrient-dense formula features concentrates from “superfoods” known to provide phytonutrients and antioxidants that play important roles in maintaining our health and well-being. RAINBOW NUTRIENTS is lactose-free and suitable for vegans.*

- **Provides Nutrient-Dense Superfoods, Fiber, Probiotics, and Digestive Enzymes***
- **Provides a Concentrated Source of Antioxidant-Rich Phytonutrients***
- **Contains Standardized TrueBroc® From Broccoli Seeds for Antioxidant and Detoxification Support***
- **Promotes Optimal pH Levels in the Body***

Vitamin C (as ascorbic acid)	150 mg	167%
Iron (as ferrous bisglycinate chelate)	25 mg	139%
Liver (bovine)	400 mg	*
Betaine HCl	100 mg	*

*Daily Value (DV) not established.

Other ingredients: Capsule (gelatin), silica.

RBC 2 supports hemoglobin synthesis by providing 25 mg of ferrous bisglycinate chelate (iron) per serving.* This unique form of iron is bound to amino acids to produce natural organic chelates that can pass easily through the intestinal wall.* This product is an excellent source of iron, with 167% DV per serving. It also includes 400 mg per capsule of bovine liver extract and 150 mg of vitamin C to further support iron absorption.* For best results, avoid consuming RBC 2 and calcium (dairy) at the same time.

- **Supports the liver, as well as iron supplementation with ferrous bisglycinate chelate, a biologically active form of iron that may increase absorption***
- **Ferrous bisglycinate chelate may also increase iron tolerability**
- **Provides high-potency antioxidant vitamin C**

Suggested use: Take 1 capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

RTROL

Liquid Herbal Dietary Supplement (47 servings)

	Amount Per Serving	%DV
Calories	20	
Calories from Fat	20	
Total Fat	2 g	3%†
Saturated Fat	2 g	10%†
Resveratrol (from Japanese Knotweed Extract [<i>Polygonum cuspidatum</i>])	250 mg	

†Daily Values are based on a 2,000 calorie diet.
*Daily Value (DV) not established.

Other ingredients: Filtered water, medium chain triglycerides, vegetable glycerin, xanthan gum, citric acid, natural flavor, luohanguo fruit extract, potassium sorbate (to maintain freshness), sodium citrate.

RTROL is an emulsified micronized formula wherein the particle size of concentrated trans-resveratrol (from *Polygonum cuspidatum*) is greatly reduced to enhance absorption and bioavailability.* Furthermore, micronized structures, known as micelles, easily float among the intestinal environment to optimize physiological activity.* RTROL may have various potential health benefits.*

- Promotes healthy cellular function with powerful antioxidant activities*
- Helps balance cellular signaling pathways (e.g., $\text{NF}\kappa\beta$, MAPK) in response to stimuli, such as stress, growth factors, and cytokines*
- Supports metabolic effects likened to caloric restriction*
- Supports immune and gastrointestinal systems*
- Supports cardiovascular and neurological health*
- Supports a healthy hormonal response*

Suggested use: Take 5 mL (approx. 1 teaspoon) orally 1-2 times a day, or as directed by your healthcare professional. SHAKE WELL BEFORE USE.

Storage instructions: REFRIGERATE UPON RECEIPT. Keep this bottle tightly closed.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

RTROL CAP

Vitamin and Herbal Dietary Supplement (60 servings)

	Amount Per Serving	%Daily Value
Quercetin (as quercetin dihydrate)(from <i>Sophora japonica</i>)(bud)	250 mg	**
<i>trans</i> -Resveratrol (as <i>Polygonum cuspidatum</i> root extract)	75 mg	**
<i>trans</i> -Pterostilbene ^{S1}	62.5 mg	**

** Daily Value not established.

RTROL CAP provides a complete bioflavonoid complex with resveratrol, quercetin, and pterostilbene. These three antioxidants work together synergistically. Pterostilbene, a new focus of scientific research, is methylated resveratrol, a bio-optimized form that complements resveratrol and quercetin. These compounds are being extensively studied in the areas of cardiovascular health and aging.*

- **Methylation helps improve absorption and stability***
- **Powerful Antioxidant Support***
- **Supports Healthy Cellular Function***
- **Produces Changes Associated with Longer Lifespan (including activation of sirtuins)***
- **Supports Cardiovascular/Neurological Health***

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

SAME & TMG

Vitamin and Herbal Dietary Supplement (30 servings)

SAMe & TMG is a sweet, yet slightly tart lemon-flavored powder. SAM-e (S-adenosyl-L-methionine) and TMG (trimethylglycine) are naturally occurring substances that act as methyl donors during vital biochemical processes in the body. Methylation is essential to normal cell health and function. It can decline with age or chronic alcohol consumption, and it can be limited in some individuals due to their genetic makeup.*

SAM-e donates methyl groups, which are needed for the synthesis of neurotransmitters, proteins, nucleic acids, and phospholipids. It supports glutathione production, liver health, joint comfort, and a healthy mood. TMG is an especially important methyl donor involved in the metabolism of homocysteine and the formation of SAM-e. TMG ultimately supports cardiovascular and neurological health, as well as normal cell-life regulation.*

	Amount Per Serving	% Daily Value
Calories	5	
Total Carbohydrate	1 g	<1%†
Calcium (as calcium carbonate, calciumoxide, and calcium chloride anhydrous)	75 mg	6%
Betaine Anhydrous (trimethylglycine)	600 mg	**
S-adenosyl-L-methionine (as s-adenosyl-L-methionine 1,4-butandisulfonate)	400 mg	**

†Percent Daily Values are based on a 2,000 calorie diet.

** Daily Value not established.

- **Supports Carbohydrate Metabolism**
- **Supports Healthy Nervous System/Adrenal/Immune Function**
- **Supports Cardiovascular Health**
- **Supports Healthy Mental Function and Mood**

Suggested use: Take one stick pack daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

S-THY

Multivitamin, Mineral & Herbal Dietary Supplement (45 servings)

S I-THY reflects new, human research on selected ingredients for specialized thyroid care.* This formula was designed to provide targeted support to thyroid tissues while addressing related immune-oxidative pathways.*

- Supports healthy thyroid-related inflammatory pathway activity*
- Supports thyroid-cell redox balance*
- Supports healthy glutathione peroxidase activity within thyroid cells*
- Helps maintain thyroid integrity and healthy immune balance*
- Supports healthy TSH and thyroid hormone (T4, T3) activity*
- Supports healthy thyroid function*

	Amount Per Serving	%DV
Selenium (as L-selenomethionine)	100 mcg	182%
Nigellin® Black Cumin Extract (<i>Nigella sativa</i>) (seed)	360 mg	*
Myo-Inositol	360 mg	*
Guggul Extract (<i>Commiphora mukul</i>) (gum)	180 mg	*
Rosemary Extract (<i>Rosmarinus officinalis</i>) (leaf)	180 mg	*
Kaempferol (from <i>Kaempferol galanga</i>) (root)	40 mg	*
Apigenin (from <i>Matricaria recutita</i>) (flower)	24 mg	*
*Daily Value (DV) not established.		
Other ingredients: Vegetarian capsule (hypromellose), dicalcium phosphate, cellulose.		

Suggested use: Take 2 capsules once daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

S-PRE

Vitamin and Herbal Dietary Supplement (90 servings)

S-PRE helps to support the serotonergic system using nutrients, targeted amino acids, and cofactors.* This formula includes high-potency vitamin B12 (1000 mcg per serving), vitamin B6, and niacin, and it is an excellent source of folate. Key ingredients include SAME, 5-HTP, and high-quality, standardized St. John's wort extract.

- **Designed to support the serotonergic system***
- **Ingredients selected to support motivation***
- **Formulated to support a feeling of well-being***
- **Ingredients can aid in supporting healthy eating habits***

	Amount Per Serving	%DV
Niacin (as niacinamide)	50 mg NE	313%
Vitamin B6 (as pyridoxal 5'-phosphate)	10 mg	588%
Folate (as calcium folinate)	200 mcg DFE	50%
Vitamin B12 (as methylcobalamin)	1000 mcg	41667%
Magnesium (as magnesium citrate)	10 mg	2%
St. John's Wort Extract (Hypericum perforatum) (leaves and flower tops) (standardized to 0.3% hypericin)	200 mg	*
5-HTP (5-Hydroxytryptophan from Griffonia Extract [Griffonia simplicifolia]) (seed)	75 mg	*
SAMe (from S-adenosyl L-methionine tosylate disulfate)	60 mg	*

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose.

Suggested use: Take one capsule three times a day, or as directed by your Healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

SUPER METHYL B12

Vitamin and Herbal Dietary Supplement (60 servings)

	Amount Per Serving	% Daily Value
Vitamin B12 (as methylcobalamin)	5,000 mcg	208,333%

All Formulas Meet or Exceed cGMP Quality Standards.

SUPER METHYL B provides 5 mg (5,000 mcg) of vitamin B12 in each very small, pleasant-tasting tablet. Methylcobalamin, the form of B12 active in the body, appears to be better absorbed and stored in tissues in comparison to cyanocobalamin. Methylcobalamin has multiple supportive roles in the body, including red blood cell formation, nervous system health, homocysteine and folate metabolism, melatonin synthesis, and more.*

- **Supports Healthy Methylation***
- **Supports Neurological Health***
- **Supports Red Blood Cell Formation***
- **Supports Healthy Sleep Patterns***
- **Supports a Healthy Immune System***

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

T-ACTIVE

Amino Acid, Vitamin & Mineral Dietary Supplement (90 servings)

T-ACTIVE is intended to support intracellular enzymatic processes by providing targeted phytonutrients and amino acids.* It also includes key minerals and vitamins that help support the endocrine system, as it relates to the thyroid.* This formula contains high-potency riboflavin and antioxidant vitamin C. It is also an excellent source of zinc, copper, and selenium.

- **Formulated to support the thyroid gland***
- **Includes ingredients that help support the endocrine system, as it relates to the thyroid***
- **Incorporates plant-based compounds that can support intracellular enzymatic processes***

	Amount Per Serving	%DV
Vitamin C (as ascorbic acid)	200 mg	222%
Riboflavin	50 mg	3846%
Zinc (as zinc glycinate)	5 mg	45%
Selenium (as L-selenomethionine)	50 mcg	91%
Copper (as copper chelate)	0.2 mg	22%
Glycine	100 mg	*
L-Glutamic Acid	100 mg	*
L-Glutathione	50 mg	*
N-Acetyl L-Cysteine	50 mg	*
RNA	25 mg	*
Proprietary Blend:	98 mg	*
Guggul Extract (<i>Commiphora mukul</i>) (gum)		
Peptidase		
Betaine HCl		

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose, dicalcium phosphate.

Suggested use: Take 1 capsule 2 times a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

T-HP

Glandular, Mineral & Herbal Dietary Supplement (90 servings)

T-HP supports the hypothalamic-pituitary-thyroid (HPT) axis with a unique formulation of carefully selected glandulars and mineral and nutritional compounds.* This formula also incorporates nutrients that may support thyroid hormones and the pituitary-thyroid system.*

	Amount Per Serving	%DV
Magnesium (as magnesium aspartate)	50 mg	12%
Zinc (as zinc glycinate)	20 mg	182%
Manganese (as manganese gluconate)	30 mg	1304%
Thyroid (bovine)	100 mg	*
Pituitary (porcine)	75 mg	*
Gamma Oryzanol	50 mg	*
L-Arginine HCl	30 mg	*
Sage Extract (<i>Salvia officinalis</i>) (leaf)	25 mg	*

*Daily Value (DV) not established.

Other ingredients: Capsule (gelatin), cellulose.

- **Formulated to support the function of the HPT axis***
- **Includes ingredients selected to support a balanced interaction of the immune system and the HPT axis***
- **Offers ingredients to help support gastrointestinal health***
- **Incorporates compounds intended to support systemic metabolic and physiological processes as they relate to thyroid function, such a lipid metabolism and brain function***

Suggested use: Take 1-2 capsules once a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

THY + I

Vitamin and Herbal Dietary Supplement (60 servings)

THY + I is a comprehensive BSE-free, bovine, multi-glandular, mineral and herbal formula to support healthy thyroid function.*

	Amount Per Serving	%Daily Value
Iodine (from organic Icelandic kelp)(<i>Laminaria digitata</i>)(stem and leaf)	40 mcg	27%
Selenium (as L-selenomethionine)	50 mcg	91%
Dulse (<i>Rhodymenia palmata</i>)(whole plant)	400 mg	**
Thyroid Gland Powder (from New Zealand or Argentina bovine)	150 mg	**
Adrenal Gland (from Argentina bovine)	50 mg	**
Irish Moss (<i>Chondrus crispus</i>)(whole plant)	40 mg	**
L-Tyrosine	30 mg	**
Anterior Pituitary Gland (from Argentina bovine)	15 mg	**
Bladderwrack (<i>Fucus vesiculosus</i>)(whole leaf)	15 mg	**
Spleen (from Argentina bovine)	5 mg	**
Thymus Gland (from Argentina bovine)	5 mg	**

** Daily Value (DV) not established

- **Provides Essential Nutrient, Herbal, and Glandular Support for Production of Thyroid Hormones***

Suggested use: Take one capsule once daily (away from food), or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

THY 1/2/3

Multivitamin, Mineral & Herbal Dietary Supplement (90 servings)

THY 1/2/3 is intended to support the thyroid and its interactions with the endocrine system.* This product has bovine thyroid glandular, coenzymes, and phytonutrients such as ashwagandha root extract at 275 mg per capsule. This formula is an excellent source of vitamin A, niacin, zinc, selenium, and copper. It also includes high potency vitamin B6 and riboflavin.

- Supports the thyroid gland and tissues*
- Supports the related thyroid hormones*
- Supports the immune system*
- Includes ingredients that may be involved in antioxidant processes*

	Amount Per Serving	%DV
Vitamin A (as retinyl palmitate)	(1000 IU) 300 mcg RAE	33%
Vitamin D (as cholecalciferol)	(100 IU) 2.5 mcg	13%
Riboflavin	20 mg	1538%
Niacin (as niacinamide)	15 mg NE	94%
Vitamin B6 (as pyridoxal 5'-phosphate)	5 mg	294%
Magnesium (as magnesium citrate)	30 mg	7%
Zinc (as zinc glycinate)	10 mg	91%
Selenium (as L-selenomethionine)	20 mcg	36%
Copper (as copper gluconate)	0.2 mg	22%
Manganese (as manganese gluconate)	5 mg	217%
Ashwagandha Extract (<i>Withania somnifera</i>) (root)	275 mg	*
Thyroid (bovine)	75 mg	*
Bromelain (plant enzyme)	15 mg	*
Proprietary Blend:	38.5 mg	*
Betaine HCl		
Peptidase		
CoQ10 (as ubiquinone)		
*Daily Value (DV) not established.		
Other ingredients: Capsule (gelatin), cellulose, dicalcium phosphate.		

Suggested use: Take one capsule twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

T-RICK

Liquid Herbal Dietary Supplement (47 servings)

T-RICK Is an emulsified micronized formulation that delivers a concentrated source of curcuminoids (standardized to 95%) combined with black pepper extract in a pleasant-tasting liquid. Micronization reduces particle size to promote absorption, and black pepper extract is known to significantly enhance curcumin bioavailability.* This unique formulation elevates curcumin supplementation for optimal patient outcomes and dependable results. Turmeric, a source of curcumin, has been used for around 4,000 years to support health and wellness, and modern science confirms that curcumin has a wide array of health benefits.*

- **Supports the immune system, including influencing NF-kB and TH-17 activity***
- **Supports gastrointestinal health and intestinal barrier function***
- **Supports musculoskeletal health and joint functionality***
- **Supports the liver's detoxification/biotransformation activity***
- **Supports cardiovascular health***
- **Supports exercise recovery***
- **Supports antioxidant activity***
- **Supports healthy brain function***

	Amount Per Serving	%DV
Calories	20	
Calories from Fat	20	
Total Fat	2 g	3%†
Saturated Fat	2 g	10%†
Proprietary Blend:	420 mg	*
Turmeric Extract (<i>Curcuma longa</i>) (root) (standardized to 95% curcuminoids)		
Black Pepper Extract (<i>Piper nigrum</i>) (fruit)		

†Daily Values are based on a 2,000 calorie diet.

*Daily Value (DV) not established.

Other ingredients: Filtered water, medium chain triglycerides, vegetable glycerin, xanthan gum, citric acid, apple pectin, natural flavor (orange), potassium sorbate (to maintain freshness), luo han guo fruit extract, sodium citrate, orange oil.

Suggested use: Take 5 mL (approx. 1 teaspoon) orally 1-2 times a day, or as directed by your healthcare professional. SHAKE WELL BEFORE USE.

Storage instructions: REFRIGERATE UPON RECEIPT. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

V-BLOCK

Vitamin and Herbal Dietary Supplement (30 servings)

	Amount Per Serving	%Daily Value
N-Acetyl-L-Cysteine	1.2 g	**

** Daily Value not established

V-BLOCK N-Acetyl-Cysteine (NAC) is a source of the conditionally essential amino acid L-cysteine and a precursor to the tripeptide glutathione. NAC and glutathione support antioxidant and detoxification activity in the body.*

- **Supports Glutathione Synthesis***
- **Supports Detoxification of Environmental Toxins and Pollutants***
- **Supports Antioxidant Activity in all Body Cells***
- **Supports Healthy Respiratory Function***

Suggested use: Take two capsules once daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

VITAL KIDS

Vitamin and Herbal Dietary Supplement (15 servings)

VITAL KIDS is formulated to address children's unique nutritional needs for growth, development, and vitality and to help close the nutritional gaps that commonly result from suboptimal diets. Each great-tasting tablet provides 23 important vitamins and minerals in active, highly bioavailable forms and is free of artificial colors and flavors, preservatives, and high-fructose corn syrup.*

- **Supports Micro Nutrition for Optimal Growth, Normal Development, and Long-Term Health***
- **Helps Ensure That Children Who Are Picky Eaters, Have Poor Appetites, or Are on Restricted Diets Get the Nutrients They Might Be Missing***
- **Helps Bridge Nutritional Gaps Resulting from Diets Low in Healthful Fruits and Vegetables and High in Processed Foods and Sugar***
- **Provides Micronutrients Important for Healthy Immunity to Fight Common Ailments***
- **Ideal for Children and Adolescents Who Cannot Swallow Capsules***

Suggested use: Take 4 chewable tablet daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

VIT-A

Vitamin and Herbal Dietary Supplement (60 servings)

	Amount Per Serving	%Daily Value
Vitamin A (as retinyl palmitate)	7500 mcg	833%

VIT-A provides an excellent source of supplemental vitamin A. Vitamin A is a fat-soluble vitamin necessary for growth, bone development, vision, hormone receptor function, cellular health, immune function, and the integrity of epithelial and mucosal surfaces.*

- **Supports Healthy Immune Function***
- **Promotes Healthy Skin and Mucous Membranes***
- **Provides Vitamin A Repletion in Cases of Deficiency***

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

VIT-4

Vitamin A, D, E, K1 and K2 Dietary Supplement (90 servings)

VIT-4 supports gastrointestinal health and the immune system with a formula that combines (1500 IU) 200 mcg RAE of vitamin A (over 20% of the recommended DV), (1000 IU) 25 mcg of vitamin D3 (over 100% of the recommended DV), (200 IU) 134 mg of vitamin E (over 800% of the recommended DV), and 60 mcg of vitamin K1 and K2 (50% of the recommended DV) per serving.* In addition, this formula provides the convenience of four essential nutrients in one, with a ratio specifically targeted to supply daily support for the gastrointestinal barrier and other key physiological functions.*

	Amount Per Serving	%DV
Vitamin A (as beta-carotene & retinyl palmitate)	(1500 IU) 200 mcg RAE	22%
Vitamin D (as cholecalciferol)	(1000 IU) 25 mcg	125%
Vitamin E (as d-alpha tocopherol plus d-beta, d-gamma, d-delta tocopherols)	(200 IU) 134 mg	893%
Vitamin K (as phytonadione & menaquinone)	60 mcg	50%

*Daily Value (DV) not established.

Other ingredients: Softgel (bovine gelatin, purified water, glycerin, annatto), sunflower oil, olive oil.

- **Helps maintain healthy cellular function***
- **Powerful antioxidant combination of vitamins A and E**
- **Supports immune mechanisms, vision, and cell growth and development***
- **Designed to support the musculoskeletal system, including calcium metabolism and bone health***
- **Includes a high amount of vitamins K1 and K2 to support coagulation potential and the circulatory system***
- **Supports the immune system and the gastrointestinal barrier***
- **Available as a softgel for those sensitive to taste or looking for additional convenience**

Suggested use: Take 1-3 softgels once a day, or as directed by your healthcare professional.

Storage instructions: Store at room temperature away from direct sunlight. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

ZINK 20

Vitamin and Herbal Dietary Supplement (120 servings)

	Amount Per Serving	% Daily Value
Zinc (as TRAACS® zinc bisglycinate chelate)	20 mg	182%

* Percent Daily Values are based on a 2,000 calorie diet.

ZINK 20 is a fully reacted, proprietary TRAACS® amino acid chelate formulated for enhanced absorption. As an essential mineral, zinc serves catalytic, structural, and regulatory functions in the body. Zinc ultimately supports immune and neurological function, growth, taste acuity, nutrient metabolism, and reproductive health.*

- **Supports Enzymatic Reactions and Protein Metabolism***
- **Promotes Immune and Reproductive Health***
- **Supports Antioxidant Activity***
- **Plays a Role in Sensory Perception***

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

FIBRIMO-NO

Vitamin and Herbal Dietary Supplement (60 servings)

FIBRIMO-NO is an enzymatic powerhouse featuring a special blend of ingredients to help create a disruptive environment for microbial communities and support enzymatic breakdown of their biofilms by focusing on three key actions: fibrinolysis, proteolysis, and quenching free radicals.*

	Amount Per Serving	%DV
Monolaurin (from Coconut endosperm [<i>Cocos nucifera</i>])	200 mg	*
Trypsin	100 mg	*
Nattokinase	75 mg	*
Serratiopeptidase	50 mg	*
Ginger Extract (<i>Zingiber officinale</i>) (rhizome) (standardized to 20% gingerols)	30 mg	*
Lumbrokinase	10 mg	*

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose, calcium silicate.

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

- **Supports a healthy systemic microbial environment***
- **Supports antioxidant activity***
- **Supports balanced inflammatory pathway activity***
