MULTI-TOX 30

Enzyme Based, Multivitamin, Mineal, Amino Acid & Herbal Dietary Supplement (42 servings)

MULTI-TOX30 is designed to offer gastrointestinal and metabolic support.* This formula includes the powerful combination of hypoallergenic nutrients, amino acids, and minerals, but excludes sources of rice and pea protein for those with sensitivities to grains or peas or who require low carbohydrate content. It also contains no sugars, which makes it ideal for anti-yeast diets.
MULTI-TOX30 is also intended to support liver detoxification and chemical biotransformation with targeted nutritional cofactors.*

- Over 5 grams of targeted amino acids as protein replacement and to support individuals on special diets*
- Intended to support a normal blood sugar balance in healthy individuals‡*
- Formulated with nutrients and cofactors to offer support for the gastrointestinal and immune systems*
- Formulated without sugars
- Designed for individuals with grain or pea sensitivities*

Suggested use: Mix 1 scoop with 4-6 ounces of water. Mix well before drinking. Use once a day, or as directed by your healthcare professional. This product should not be used in a diet supplying less than 600 calories per day without complete medical supervision.

Storage instructions: Store at room temperature away from direct sunlight. Keep this container tightly closed.

Proprietary Amino Acid Blend:

5025 mg

L-Glutamine, L-Alanine, Glycine, L-Isoleucine, L-Tyrosine, L-Proline, L-Asparagine, L-Threonine, Taurine, L-Valine, L-Cystine, L-Serine, L-Lysine (as L-Iysine monohydrochloride), L-Arginine (as L-arginine HCl), L-Phenylalanine, L-Glutamic Acid, N-Acetyl L-Cysteine, L-Leucine, Acetyl L-Carnitine HCl, L-Histidine, L-Tryptophan, D-Aspartic Acid, L-Methionine, L-Cysteine (as L-cysteine HCl)

Proprietary ClearVite™ Blend:

1400 mg '

Medium Chain Triglycerides Oil, Evening Primrose Oil (*Oenothera biennis*) (seed), Milk Thistle Extract (*Silybum marianum*) (seed), Quercetin (as quercetin dihydrate), Hesperidin (from Orange Extract [*Citrus aurantium*]) (fruit), Rutin (from Japanese Pagoda Tree Extract [*Sophora japonica*]) (bud), Enzyme Blend (amylase, protease, glucanase, lipase), Gamma Oryzanol, *L. Acidophilus*, Ginger (*Zingiber officinale*) (root)

† Daily Values are based on a 2,000 calorie diet.

Other ingredients: Cellulose, natural flavors, luo han guo fruit extract, sodium bicarbonate, sea salt, silica.

Warning:

^{*} Daily Value (DV) not established.

GUT REGEN

Enzyme-Based, Mineral & Amino Acid Dietary Supplement Powder (30 servings)

GUT REGEN is intended to offer targeted intestinal support.* A high-quality, selective blend that includes brush border enzymes, L-glutamine, and zinc carnosine is incorporated to help support intestinal cell metabolism and the intestinal microbial environment.* Furthermore, the number of ingredients is limited to accommodate those with certain dietary restrictions.

	Amount Per Serving	%DV
Zinc (as zinc carnosine)	15 mg	136%
L-Glutamine	2240 mg	*
Zinc Carnosine	140 mg	*
Proprietary Enzyme Blend:	375 mg	*
DPP IV Peptidase Blend (protease I, II, III, IV, V)		
Amylase I		
Amylase II		
Glucoamylase		
Lactase		
Alpha-galactosidase		
Papain		
Bromelain		
Lipase		
Cellulase		
*Daily Value (DV) not established.		

Other ingredients: Natural flavor (orange), cellulose, luo han quo fruit extract, sea salt

Suggested use: Mix 1 scoop with up to 4-6 ounces of water. Mix well before drinking. Use twice a day, or as directed by your healthcare

professional.

 Key enzymes (including DPP IV gluten enzyme) selected to support intestinal enzymatic action in multiple pH environments*

- Intended to support intestinal cell metabolism and the intestinal microbiome*
- Designed for those with certain dietary restrictions*

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

Vitamin and Herbal Dietary Supplement (60 servings)

Vitamin A (as retinyl palmitate)

Amount Per Serving

%Daily Value

833%

VIT-A provides an excellent source of supplemental vitamin A. Vitamin A is a fat-soluble vitamin necessary for growth, bone development, vision, hormone receptor function, cellular health, immune function, and the integrity of epithelial and mucosal surfaces.*

- Supports Healthy Immune Function*
- Promotes Healthy Skin and Mucous Membranes*
- Provides Vitamin A Repletion in Cases of Deficiency*

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

D-K MAX

Vitamin & Herbal Dietary Supplement (60 servings)

Amount Per Serving	%Daily Value
125 mcg (5,000 IU)	625%
180 mcg	**
	125 mcg (5,000 IU)

D-K MAX is formulated for those who need a more substantial presence of vitamin K2, delivering 180 mcg per serving. The combination of highly bioavailable and bioactive menaquinone-7 (MK-7) with vitamin D3 provides complementary benefits for bone and cardiovascular health.*

- Supports Bone Health*
- Promotes Carboxylation of Bone Proteins*
- Supports Cardiovascular Health and Arterial Elasticity*

Suggested use: Take one capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

GUT IMMUNE

Vitamin, Mineral & Fatty Acid Dietary Supplement (180 Servings)

GUT IMMUNE represents the latest science in microbiota-related supplementation. It delivers short-chain fatty acids (SCFAs)—the natural end products (postbiotics) of complex carbohydrate digestion by enteric bacteria. An increasing number of studies demonstrate the broad and profound effects of SCFAs locally, in intestinal mucosal health and microbiota diversity, and systemically, as molecular messengers.*

Amount Per Serving %DV

Vitamin E (as d-alpha tocopherol acetate) (45 IU) 30 mg 200%

Calcium (as calcium β-hydroxy βmethyl butyrate & calcium propionate)

80 mg 6%

Proprietary Blend:

540 mg

Butyric Acid (as calcium β-hydroxy β-methyl butyrate)

Calcium Propionate

*Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose, silica.

Suggested use: Take 1 capsule three times a day, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

- Supports microbiome diversity and the health and function of intestinal epithelial cells*
- Supports intestinal tight junction protein synthesis, which is critical to intestinal barrier function*
- Supports colonic T-regulatory cell activity, immune homeostasis, and immune tolerance*
- Supports energy metabolism*
- Supports NF-kappaB signaling and cytokine production associated with good health*

Warning:

GUT IMMUNE 2

Fatty Acid & Fiber Dietary Supplement (45 Servings)

GUT IMMUNE 2

is a specialized prebiotic and postbiotic formula designed to boost microbiome diversity.* This formula supports the effectiveness of butyric acid in the gut by combining it with key fibers.* GUT **IMMUNE 2 also** supports many facets of gut-systemic communication.*

	Amount Per Serving	%DV
Total Carbohydrate	<1 g	<1%†
Dietary Fiber	<1 g	3%†
Magnesium (as magnesium butyrate)	26 mg	6%†
Sodium	10 mg	<1%†
Butyric Acid (from magnesium & sodium butyrate)	250 mg	*
Fennel (Foeniculum vulgare) (seed)	100 mg	*
Proprietary Fiber Blend:	1000 mg	*
Psyllium Husk		
Inulin (from jerusalem artichoke)		
Cellulose Gum		
Guar Gum		
Apple Pectin		
†Daily Values are based on a 2,000 calorie diet. *Daily Value (DV) not established.		
Other ingredients: Vegetarian capsule (hypromellose), natural flavor, I-leu	cine, cellulose.	

 Supports the growth and variety of beneficial gut bacteria*

- Supports the health and function of intestinal epithelial cells*
- Supports intestinal barrier function through tight-junction protein synthesis*
- Supports digestive health and function, metabolism, and healthy blood sugar and cholesterol levels already within the normal range*
- Supports healthy cytokine activity within the gastrointestinal tract*

Suggested use: Take two capsules daily, or as directed by your Healthcare professional.

Storage instructions:

Keep closed in a cool, dry place out of reach of children.

Warning:

GUT IMMUNE 3 FIBRO

Fiber Dietary Supplement (90 Servings)

	Amount Per Serving	%DV
Guar Gum	530 mg	*
Pectins (apple)	110 mg	*
Flaxseed Bran (Linum usitatissimum) (standardized to 4% lignans)	110 mg	*
Cellulose Gum	50 mg	*

^{*}Daily Value (DV) not established.

Other ingredients: Vegetarian capsule (hypromellose), cellulose.

GUT IMMUNE 3 FIBRO helps support the colon, sugar metabolism, and lipid metabolism with a spectrum of soluble and insoluble fibers.‡* The formula features water-soluble fibers as apple pectin, guar gum, and high-quality, standardized flaxseed bran. Generally, dietary fibers, especially soluble ones, may delay stomach emptying, and thus the rate of digestion and absorption, including carbohydrates.*

- Provides support for sugar and lipid metabolism, and microbial environment‡*
- Supports healthy stool bulk and transit*
- Supports colon health*
- Supports metabolism and intestinal mucosal barrier and immunity*

Suggested use: Take one capsule twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:

RBC 2

Vitamin and Mineral Dietary Supplement (90 servings)

	Amount Per Serving	%DV
Vitamin C (as ascorbic acid)	150 mg	167%
Iron (as ferrous bisglycinate chelate)	25 mg	139%
Liver (bovine)	400 mg	*
Betaine HCI	100 mg	*

^{*}Daily Value (DV) not established.

Other ingredients: Capsule (gelatin), silica.

RBC 2 supports hemoglobin synthesis by providing 25 mg of ferrous bisglycinate chelate (iron) per serving.* This unique form of iron is bound to amino acids to produce natural organic chelates that can pass easily through the intestinal wall.* This product is an excellent source of iron, with 167% DV per serving. It also includes 400 mg per capsule of bovine liver extract and 150 mg of vitamin C to further support iron absorption.* For best results, avoid consuming RBC 2 and calcium (dairy) at the same time.

- Supports the liver, as well as iron supplementation with ferrous bisglycinate chelate, a biologically active form of iron that may increase absorption*
- Ferrous bisglycinate chelate may also increase iron tolerability
- Provides high-potency antioxidant vitamin C

Suggested use: Take 1 capsule once or twice daily, or as directed by your Healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

Warning:
