

G-THIONE MAX

Liquid Glutathione Amino Acid Dietary Supplement (47 servings)

G-THIONE MAX is a breakthrough new approach to glutathione supplementation. It features, for the first time in a liposomal solution, S-acetyl L-glutathione (SAG), combined with reduced glutathione (GSH), and N-acetyl L-cysteine (NAC). This formulation utilizes three ways to support glutathione—intracellular with SAG, intracellular biosynthesis with NAC, and extra/intracellular (systemic) support with GSH.* Moreover, the liposomal S-acetyl L-glutathione in this formula provides a double layer (acetylation + liposomes) of protection to the glutathione molecule, further supporting its intracellular bioavailability.*

- **Supports intracellular and mitochondrial antioxidant processes***
- **Supports healthy brain function***
- **Supports the liver and detoxification activity***
- **Supports balanced immune system function***

	Amount Per Serving	%DV
Calories	10	
Total Carbohydrates	2 g	<1%†
N-Acetyl L-Cysteine	125 mg	*
Phosphatidylcholine (from sunflower lecithin)	75 mg	*
Proprietary Glutathione Blend:	175 mg**	*
L-Glutathione (reduced)		
S-Acetyl L-Glutathione		
†Daily Values are based on a 2,000 calorie diet.		
*Daily Value (DV) not established.		
**At time of manufacturing.		

Other ingredients: Filtered water, glycerine, sunflower lecithin, natural flavors, potassium sorbate (to maintain freshness), luo han guo fruit extract.

Suggested use: Take 5 mL (approx. 1 teaspoon) orally 1-2 times a day, or as directed by your healthcare professional. SHAKE WELL BEFORE USE. Best used within 60 days of opening.

Storage instructions: REFRIGERATE UPON RECEIPT. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

N-OX

Liquid Amino Acid & Herbal Dietary Supplement (94 servings)

N-OX is an advanced combination of carefully selected ingredients that work together to affect NOS (nitric oxide synthase) activity and intracellular energy production.* It also influences the related production of cell-signaling molecules and oxidants.* This formulation takes advantage of the compounding and complementary actions of its ingredients to deliver a truly effective formula backed by a decade of successful clinical use.* N-OX is an excellent choice for individuals needing immune balance, brain function, and exercise support.*

Suggested use: Take 1 teaspoon 1-2 times a day, or as directed by your healthcare professional.

Storage instructions: Keep closed in a cool, dry place out of reach of children.

	Amount Per Serving	%DV
Proprietary Blend:	125 mg	*
ATP (as adenosine 5'-triphosphate disodium)		
Xanthinol Nicotinate		
N-Acetyl L-Carnitine (as N-acetyl L-carnitine hydrochloride)		
Alpha-GPC (L-alpha glycerylphosphorylcholine)		
Vinpocetine		
Huperzine A (from Toothed Clubmoss Extract [<i>Huperzia serrata</i>]) (whole plant)		

*Daily Value (DV) not established.

Other ingredients: Filtered water, vegetable glycerin, honey, evening primrose oil, xanthan gum, luohanguo fruit extract, sodium citrate, gluconic acid, cinnamon oil, natural flavor (peppermint), potassium sorbate (to maintain freshness), stevia extract, citric acid.

- **Supports a healthy immune response***
- **Supports a healthy neurovascular system and healthy brain function***
- **Supports cellular energy production, including in neurons***
- **Supports metabolic endurance during exercise***

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. **KEEP OUT OF REACH OF CHILDREN.** This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

T-RICK

Liquid Herbal Dietary Supplement (47 servings)

T-RICK Is an emulsified micronized formulation that delivers a concentrated source of curcuminoids (standardized to 95%) combined with black pepper extract in a pleasant-tasting liquid. Micronization reduces particle size to promote absorption, and black pepper extract is known to significantly enhance curcumin bioavailability.* This unique formulation elevates curcumin supplementation for optimal patient outcomes and dependable results. Turmeric, a source of curcumin, has been used for around 4,000 years to support health and wellness, and modern science confirms that curcumin has a wide array of health benefits.*

- **Supports the immune system, including influencing NF-kB and TH-17 activity***
- **Supports gastrointestinal health and intestinal barrier function***
- **Supports musculoskeletal health and joint functionality***
- **Supports the liver's detoxification/biotransformation activity***
- **Supports cardiovascular health***
- **Supports exercise recovery***
- **Supports antioxidant activity***
- **Supports healthy brain function***

	Amount Per Serving	%DV
Calories	20	
Calories from Fat	20	
Total Fat	2 g	3%†
Saturated Fat	2 g	10%†
Proprietary Blend:	420 mg	*
Turmeric Extract (<i>Curcuma longa</i>) (root) (standardized to 95% curcuminoids)		
Black Pepper Extract (<i>Piper nigrum</i>) (fruit)		

†Daily Values are based on a 2,000 calorie diet.

*Daily Value (DV) not established.

Other ingredients: Filtered water, medium chain triglycerides, vegetable glycerin, xanthan gum, citric acid, apple pectin, natural flavor (orange), potassium sorbate (to maintain freshness), luo han guo fruit extract, sodium citrate, orange oil.

Suggested use: Take 5 mL (approx. 1 teaspoon) orally 1-2 times a day, or as directed by your healthcare professional. SHAKE WELL BEFORE USE.

Storage instructions: REFRIGERATE UPON RECEIPT. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

RTROL

Liquid Herbal Dietary Supplement (47 servings)

	Amount Per Serving	%DV
Calories	20	
Calories from Fat	20	
Total Fat	2 g	3%†
Saturated Fat	2 g	10%†
Resveratrol (from Japanese Knotweed Extract [<i>Polygonum cuspidatum</i>])	250 mg	

†Daily Values are based on a 2,000 calorie diet.
*Daily Value (DV) not established.

Other ingredients: Filtered water, medium chain triglycerides, vegetable glycerin, xanthan gum, citric acid, natural flavor, luohanguo fruit extract, potassium sorbate (to maintain freshness), sodium citrate.

RTROL is an emulsified micronized formula wherein the particle size of concentrated trans-resveratrol (from *Polygonum cuspidatum*) is greatly reduced to enhance absorption and bioavailability.* Furthermore, micronized structures, known as micelles, easily float among the intestinal environment to optimize physiological activity.* RTROL may have various potential health benefits.*

- Promotes healthy cellular function with powerful antioxidant activities*
- Helps balance cellular signaling pathways (e.g., $\text{NF}\kappa\beta$, MAPK) in response to stimuli, such as stress, growth factors, and cytokines*
- Supports metabolic effects likened to caloric restriction*
- Supports immune and gastrointestinal systems*
- Supports cardiovascular and neurological health*
- Supports a healthy hormonal response*

Suggested use: Take 5 mL (approx. 1 teaspoon) orally 1-2 times a day, or as directed by your healthcare professional. SHAKE WELL BEFORE USE.

Storage instructions: REFRIGERATE UPON RECEIPT. Keep this bottle tightly closed.

Warning: Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.

10Q+

Liquid Dietary Supplement (47 servings)

	Amount Per Serving	%DV
Calories	15	
Calories from Fat	15	
Total Fat	1.5 g	2%†
Saturated Fat	1.5 g	8%†
CoQ10 (as ubiquinone)	200 mg	*
PQQ (pyrroloquinoline quinone disodium salt)	5 mg	*

†Daily Values are based on a 2,000 calorie diet.

*Daily Value (DV) not established.

Other ingredients: Filtered water, medium chain triglycerides, vegetable glycerin, sunflower seed lecithin, citric acid, natural flavor, xanthan gum, sodium citrate, luohanguo fruit extract, potassium sorbate (to maintain freshness).

10 Q+ is designed to support cellular energy and mitochondrial function through a combination of CoQ10 and pyrroloquinoline quinone (PQQ).^{*} PQQ supports the function of mitochondria, the powerhouses of the cell.^{*} As a result, this nutrient also provides support for parts of the body that need large amounts of energy for optimal function, such as the brain and nervous system.^{*}

- **Provided in emulsified/micronized structures***
- **Includes approximately 9400 mg of CoQ10 per bottle (about 47 servings at 200 mg each)**
- **Formulated to support cellular energy***
- **Designed to aid mitochondrial function***
- **Incorporates nutrients that help support the brain and nervous system***
- **Includes ingredients that may be involved in antioxidant processes***
- **Has a pleasant, fruity flavor**

Suggested use: Take 5 mL (approx. 1 teaspoon) orally 1-2 times a day, or as directed by your healthcare professional. SHAKE WELL BEFORE USE.

Storage instructions: REFRIGERATE UPON RECEIPT. Keep this bottle tightly closed.

Warning:

Consult your healthcare professional before use if pregnant, nursing, taking medications, or for any use by minors. Do not use it if the safety seal is broken or missing. KEEP OUT OF REACH OF CHILDREN. This product is not intended to diagnose, treat, cure, or prevent any disease. For nutritional use only.
